

CELEBRATING **20** YEARS

INTERDISTRICT STRINGS PROJECT

GRADES 6-12 + ADULTS

WATERBURY SYMPHONY ORCHESTRA

Students who play the violin, viola, cello, or bass won't want to miss this incredible opportunity to work and perform with musicians of the Waterbury Symphony Orchestra. Young musicians will learn a varied repertoire from WSO professionals, focusing on fundamental techniques, ensemble skills, and musical interpretation. This project culminates in four in-school performances where participants play side-by-side with twenty WSO musicians. A minimum of one year of experience playing a string instrument and the ability to read music is required. Space is limited per instrument.
