

Hello Schneider Families!

Welcome to the 2019-2020 school year! Schneider's school creed is Initiative, Integrity, Compassion, & Determination and we would like the 2019-2020 yearbook to reflect the important messages behind these words, so what is our story? Pictures speak a thousand words and the yearbook is a great visual to help us tell Schneider's tale. As you participate in PTO activities, classroom parties, and other school events, please bring your camera!! We need your **high-resolution** pictures to help us create our narrative!

Here are a few ways to quickly share your photos:

- Email your photos directly to [schneiderptoyb@gmail.com](mailto:schneiderptoyb@gmail.com)
  - Please include your student's full name and class code
  - Please include the name of the activity (i.e. Boo night at A & W; Halloween party; etc.)
- Upload your photos directly to our Yearbook Shutterfly group site: <https://schneider20192020yearbook.shutterfly.com/>
  - In order to do this, please log into your Shutterfly account, or create an account if necessary
    - It's free and ordering prints through Shutterfly also helps Schneider directly (SchneiderElementarySchool.ShutterflyStorefront.com)
  - Request permission to become a member of the site
    - Please include your student's full name and class code in the message
  - Once approved, you can upload your pictures

Thank you so much for lending your camera to helping tell our students' stories as they come together as friends to practice initiative, integrity, compassion, and determination.
