

Mountain View Elementary Community Council Agenda

October 16, 2019 – 5:30 pm

Mountain View Conference Room

1. Welcome
2. Approval of September 18, 2019 minutes
3. InfiniD Learning presentation: Jordan Treglown
4. Current accounting report: Principal Mudrow
5. Follow up SIP/teacher grant awards
6. Known items for next meeting

## MVCC Proposed Bylaw Amendment – September 18, 2019

...

(2) Composition of Council, Voting Rights, Term of Office – MVCC shall have six parent or guardian-member (“parent-member”) positions and ~~no more than~~ four educator–member positions, comprised of the Mountain View principal, Mountain View vice-principal or administrative intern, and two licensed teachers. Additionally, the Mountain View PTA president or co-president will serve on MVCC.

Parent-members may be elected to serve individually or as couples with full voting rights; however, a single position, regardless of whether held by an individual or a couple, only has one vote for any business conducted by MVCC. Educator-members have full voting rights. The Mountain View principal and vice-principal or administrative intern shall serve as ~~an~~ ex officio members with full voting rights. The Mountain View PTA president or co-president will serve as an ex officio, non-voting member of MVCC ~~unless ratified as a full voting member.~~

~~NOTE: During the 2012–2013 MVCC election, the Mountain View PTA president was ratified as a full voting member. Said vote shall stand unless repealed by a further vote.~~

Parent-members are elected to two–year terms, and are eligible to serve in office so long as they have a child enrolled in the school or will have a child enrolled in the school during their term in office. Parent-member elections shall be staggered so that approximately fifty percent of the parent-members stand for election in a given year. Educator-members also serve two-year terms. The Mountain View PTA president’s or co-presidents’ term coincides with his ~~and/or~~ her term as PTA president.

...

[NOTE: The proposed changes are the result of the spring 2019 State LAND Trust audit performed at Mountain View, where the issues of the PTA president having voting rights and a “sliding” number of council members were raised.]
