RED RIBBON WEEK

THEME DAYS

Red Ribbon Week is October 28-31st. It is a special time set aside each October to raise awareness and focus on drug prevention among youth. Red Ribbon Week began in 1985 to honor Special Agent Enrique “Kiki” Camarea. This American’s life was taken away by drug traffickers in Mexico while he was working on our behalf to rid our communities of drugs. Children all over the United States can honor his life by participating in drug-free activities during this special week.
