

## Why try Hockey?

Hockey is a dynamic team sport that holds true to the team values essential for pupil development.

## Who can do it?

Hockey is available to all at Millfield, whether you are a high performer in the England Player Pathway or a complete beginner wanting to try something new. Hockey is played by both boys and girls from Year 9 through to Upper Sixth.

## Highlights from 2018-19

- 1st XI boys were ISHC National Champions
- 1st XI girls were runners up at Nationals and third place in ISHC Nationals
- U15 girls were ISHC National Champions
- All four indoor teams qualified for National Indoor Finals
- International recognition: Stuart Rushmere and Victoria McCabe (EDP). Louis Wrenn, Kitty Chapple, Becky Manton, Tori Glaister and Julia Spence (National Age Groups)
- OM recognition: Harry Gibson making the FIH Pro League Grand Finals, representing Great Britain. Hannah Cozens, and Megan Lewis-Williams played internationally
- Tours: Senior boys and girls to South Africa and Year 9 boys and girls to Holland
- Millfield represented at Harvard, Yale, Wakeforest, University of Massachusetts, Northeastern and Syracuse hockey programmes

## Looking forward to 2019-20

- Merger with local club
- Enhance club hockey options for pupils
- Enhance links with American Universities
- Live streaming of matches
- Year 9 tour to Holland at Easter

## High performance

- Our Hockey programme includes: two terms of hockey, with fixtures against clubs, universities and schools
- One-to-one coaching in the pupil's academic timetable
- Athletic development support with access to physiotherapy services
- Groundbreaking player team analysis and feedback through our newly acquired TPE system
- Indoor hockey
- Nutritional and lifestyle support

## Philosophy

To create an inclusive environment which provides opportunity and stretch for pupils. Whether that be the B team playing fun competition hockey, or the 1st XI playing Senior club hockey in the Investec Premier League. A development culture where pupils are valued and encouraged to play an attractive brand of hockey.

## Success stories and future stars

We are proud to have 27 pupils representing Millfield within the Junior Regional Performance Centre (JRPC), five in National Age Group squads and two in the Elite Development Programme.

*"Since joining Millfield I have had an opportunity to develop my hockey considerably. The individual support I have received on the hockey pitch and in the gym has enabled me to play at my very best. Representing the England U18s has been fantastic but the experience gained by playing Premier League hockey for Clifton & Robinson's HC and the Millfield 1st XI has been just as special. I am grateful for all the opportunities I have had and for Mr Keates' guidance through it all."*
