### **Warriors of the Week**

This weeks' Warriors of the Week both are being recognized for the integrity demonstrated when they found a valuable item that had been lost in the building and immediately turned it in so it could be returned to the rightful owner. Their integrity to turn down personal gain for the greater good makes our entire community stronger. Their honesty builds brotherhood and that trust creates a stronger foundation for scholarship. I am proud to announce **Maurice Williams** and **Khyree Simmons** as our Warriors of the Week

### **EFN Parent Game Night and Social – Saturday, October 19<sup>th</sup> 5 – 7 pm**

BROTHERHOOD · INTEGRITY · SCHOLARSHIP

This game night has been planned by volunteers in the EFN to create an enjoyable evening out for you to connect with other family members in the school. There will be lots of food and refreshments to enjoy together. There have been some great games planned including the ultimate game of Family Feud. There will be prizes to be won including: Boys' Latin shirts, Boys' Latin water bottles, amazon gift cards and more. What's not to love!

Come have a great night out, connect with other Boys' Latin families, enjoy free food and drinks, compete and hopefully win some games and free prizes. If you are able to join us for this awesome event please RSVP to [rmcdaniel@boyslatin.org](mailto:rmcdaniel@boyslatin.org) or reach out to Ms. Sheppard at 215-387-5149 so we can make sure to have enough food for everyone.

### **Planting Day at Boys' Latin – October 12<sup>th</sup>**

Time: 10:00AM-2:00PM

Location: Boys' Latin High School - 5501 Cedar Ave, Philadelphia, PA 19139

Who: Boys' Latin Students, Families, and Community Members

What is it: Planting Day is hosted by the HS Gardening Club and will be an opportunity for everyone in the BL community to get their hands dirty. This event is to allow the community to install a permanent fruit-productive garden in the style of a food forest, learn key information to be successful gardeners, and to familiarize students to science content in an authentic way. We are planning big things with this project for the community, so having support is key in our success.

What to bring? Volunteers simply need to bring themselves. No prior experience or tools necessary!
