## Sport at Millfield Outdoor Adventure Archery, Canoeing, Caving, Climbing, Sailing and Ten Tors

## Why try Outdoor Adventure?

Outdoor Adventure offers a learning environment in which pupils can develop transferable qualities including confidence, self-awareness and leadership. They also provide opportunities to work closely with others in new, exciting and sometimes challenging environments, whilst developing activity-specific skills.

## Highlights from 2018-19

- Year 9 Outdoor Education
  programme
- Expedition to Iceland
- Successful completion of Ten Tors by two teams

## Looking forward to 2019-20

- New overseas expeditions
- Introduction of mountain biking

# **Outdoor Adventure**

## Who can do it?

Anyone who is prepared to accept a challenge and has an option on their Games programme.

Ten Tors is open to Year 9, 10 and Lower Sixth. Archery, canoeing, climbing and competitive sailing are also offered as Games and Millfield Activities Programme options throughout the year.

### Success story

Two Year 9 teams completed the Ten Tors 35-mile challenge in 2019. This took place in variable weather conditions, in mid-May, on Dartmoor. The teams were mixed gender and were self-sufficient for two days. Training for this took place throughout the winter months, starting in September 2018.
