You will receive this message from the District on Tuesday, October 15

Dear Parents/Guardians,

The following explains how the School District of Haverford Township communicates with you in the event of a school closing, delayed opening or early dismissal, and how to opt-in to receive text messages.

We will run a test of the system on Thursday evening, October 17, 2019 beginning at 7:00 p.m.

HOW WE COMMUNICATE

When the School District needs to close or delay opening or dismiss early we will communicate this message in multiple ways:

- Using the contact information we have in District Notification System (SchoolMessenger), we will send emails, phone calls and text messages to parents/guardians, faculty and staff. We do not usually activate the system to call after 10:00 PM or before 5:30 AM. If a decision is made between those hours, it will be posted on the district website.

- We will post the information on our website <https://www.haverford.k12.pa.us/> and on Twitter (@haverfordsd)

- Through the Media

- WPVI 6 TV
- FOX 29 TV
- NBC 10 TV
- CBS 3 TV

We will run a test of the messaging system on Thursday evening, October 17, 2019, at 7 p.m. You should receive phone calls, text messages, and emails, which will say that it is a TEST message. *You will not receive a text message if you have not opted-in to receive them.*

TEXT MESSAGE OPT-IN DIRECTIONS

In order to receive text messages from our system, we must have your cell phone number in PowerSchool, and you must opt-in. If you received text messages from your school last year, you are in the system and do not need to do anything.

If you have not opted-in either this year or in previous years and want to receive texts from us, follow these instructions:

• To opt-in, text the word YES to 68453. You should receive a reply that says, “*You’re registered 4 SchoolMessenger notifications. Reply STOP to cancel, HELP for help. Msg&data rates may apply. Msg freq varies.*” If you are not sure whether you have opted-in, text YES to 68453.

If you text YES to 68453 before Thursday night, and you receive a text during the test, you are opted in and do not need to do anything.

If you text YES to 68453 before the test and do NOT receive a text message, it may be because we do not have your cell phone number in our system.

Please contact your building secretary with your cell phone number(s) and note which parent/guardian the cell phone number belongs to.

Users may opt in to the system at any time during the year.

You can also find School Closing information and delayed opening schedules on our [website](#). If you have questions about the School District’s message system or your contact information, please contact your building secretary.

Thank you very much for your assistance with this communication setup and test.
