

Sand Springs Elementary After School Exploratory MESA Club

Session 2: EiE – Recycled Racers

Open to students in grades 4-6

Come use the Engineering Design Process to design and race a car made of recycled materials. Problem solving, collaboration, mathematical thinking, and data analysis will all be used as we explore with engineering.

Dates:

Tuesday, October 29th
Tuesday, November 5th
Thursday, November 7th
Tuesday, November 12th
Thursday, November 14th
Tuesday, November 19th
Thursday, November 21st (if needed)

Time and Place:

3:40 – 4:45 pm *Green Neighborhood*

Arrangements need to be made for students to be picked up from school after each meeting. For safety reasons, students will not be allowed to walk home alone from classes.

Fee: \$30 for the session *(Fee waivers are available in the office for students who qualify.)*

Registration Information:

Register online on the school website or via the link sent home in the email. This session can accommodate up to 30 students. Parents will be notified prior to start date.
