

WELCOME TO VEHI PATH!

PATH – Planned Action Toward Health: Building a Healthy Workforce

VEHI (Vermont Education Health Initiative) is a nonprofit member-owned trust providing member school districts and their employees access to high quality and affordable health and dental plans.

As a value-added benefit, VEHI provides access to PATH (Planned Action Toward Health), an employee wellness program.

PATH works hand-in-hand with VEHI member districts to create and sustain healthy work environments. We do this by offering employees a suite of cost-effective, research-driven services to help them live their best lives at home, at work and in their communities.

Employees in a VEHI member worksite can participate in this FREE program, even if they are not on the health insurance plan!

To jump on board right away and enjoy these free benefits, all you will need is a PATH web account.

Through your account, PATH provides many different ways to participate including our Annual Adventure (a fun wellness challenge), a Health Risk Assessment, telephonic Health Coaching, Exercise/Activity Tracking, an Employee Assistance Program (short term and crisis counseling) and a Peer Coaching Course, just to name a few.

As a PATH participant, you'll earn points for actively engaging in these program services. If at the end of the school year (June 30th), as an eligible PATH participant, you've earned 200 points, you'll be rewarded with a \$100 L.L.Bean gift card.

HOW TO CREATE A PATH WEB ACCOUNT

Get Online & Logged In: Go to www.tomypath.com

Don't have a VEHI PATH account?

Select your SU/SD from the “Select your organization” drop down menu. On the next screen click “Sign up Now”. Complete the Program Sign-up form and click “save”. Be sure to write down your Username and the Password you chose.

The screenshot shows two main sections on a light green background. The top section is titled "Participant Login" and includes a sub-header "Log In to access your To My Path account." It has input fields for "Username" and "Password" with a "Show Pass" link, and a green "Login" button. To the right of this section is a list of bullet points: "New to the ToMyPATH website? Select your organization from the list below.", "Previously created an account? Use the same username and password to log onto the site this year. If you cannot remember your username and password, please DO NOT create a new account. Try using the 'Forgot My Password' option below.", "Forgot your password?", "Need additional help?", and "Contact Support". The bottom section is titled "New to the Program?" and includes a sub-header "To join your supervisory union's Wellness program, select your SU from the list below." It has a "Select organization" dropdown menu with the text "Select your organization:" and a green "Sign Up" button. A black arrow points from the left towards the "Sign Up" button.

Already have a VEHI PATH account?

Enter your Username and Password in the Participant Log In box.

This screenshot is identical to the one above, showing the "Participant Login" and "New to the Program?" sections. In this instance, a black arrow points from the left towards the "Login" button in the "Participant Login" section.

Not sure if you have a VEHI PATH account?

If you participated in a PATH Adventure during the past twelve years, you likely have an account. Use the “Forgot My Password” link or contact PATH for help. **(802) 223-5040 - ext. 214 or 229**
