Today is Day 6

STUDENT ACTIVITIES

YSSF

The Young Scientist Science Fair (YSSF) is an after-school program for **sixth-grade** students, designed to increase students' passion for the sciences and to improve on important life-skills of research, communication, and presentation. On Monday 10/7, your child was introduced to the program and was handed a registration form, detailing the program, meetings, and sign-up procedure. Parkland High School students will guide your child throughout the process, answering any questions your child may have. At each meeting, students will be given valuable instruction on research methods, presentation etiquette, and public speaking. Next year, students in the seventh grade Science GHP classes will be required to conduct a science fair project. YSSF teaches students the foundational principles of scientific research, providing early guidance on essential skills needed for next year.

Interested students must send the registration form to Dr. Sandt at Parkland High School by October 30, 2019.

If there are any questions, please contact YSSF President Dharshan Tharumia at dharsantharumia.yssf@gmail.com.

Save around the city books

Please remind your students if they did not turn in their form or are returning the books, to do so as soon as possible.

Red Ribbon Week

Red Ribbon Week 2019 is coming soon! This year's theme is "Send a Message - Stay Drug Free" and the Student Assistance Program team is sponsoring a video contest. You are encouraged to use your imagination, props, other people, **WHATEVER** to create a message that encourages people to stay drug free. Teachers will vote on the videos, and the top 3 will win an Amazon gift card or private Wolves' Den pizza party. Check out the flyer in your homeroom or on Schoology for more information. You can also go to bit.ly/smsrr2019. All videos are due by midnight on Tuesday, October 22.

Red Ribbon Week

Next week is Red Ribbon Week, when we celebrate choices that are healthy and drug-free. Each day will have a different theme, and you are encouraged to dress to go with the theme. **Monday's theme is "Turn Your Back On Drugs,"** and you're encouraged to **wear your clothes backwards!** Remember, have fun but follow all dress code rules!

Tuesday's theme is "We're Too Bright for Drugs," and you are encouraged to **wear your brightest, most neon clothing.** Remember, have fun but follow all dress code rules!

Wednesday's theme is "Sock It to Drugs" and you are encouraged to wear your **craziest socks.** Remember, have fun but follow all dress code rules.

Thursday's theme is "We're 'Red'dy to be Drug Free," and you are encouraged to **wear lots and lots of red.** Remember, have fun but follow all dress code rules!

Friday's theme is "Say Boo to Drugs". Students are encouraged to wear Halloween colors/messages. Remember, have fun but follow all dress code rules! **NO costumes, face paint, or masks will be permitted for students**
