## SENIOR SCHOOL CURRICULUM

The Senior School has a rigorous college preparatory curriculum, where education is viewed as building the skills and habits of inquiry, research, creativity, critical thinking and problem solving.

## GRADING AND RANKING

Shady Side Academy maintains rigorous standards of grading and awards letter grades as follows:

A+	4.33	C+	2.33
A	4.0	C	2.0
A-	3.67	C-	1.67
B+	3.33	D+	1.33
B	3.0	D	1.0
B-	2.67	D-	.067

A student's grade point average is calculated based on year-end grades. **GPA's are not weighted. Shady Side Academy does not rank.**

*Note: Beginning in the 2018-2019 school year, all visual arts classes are graded on a pass/fail grading scale. There is also the option to take these classes for a grade.*

## COURSE NUMBERING ON TRANSCRIPTS

Because Shady Side Academy offers so few designated advanced classes, we use an internal numbering system on our transcripts. The course numbering system indicates curricular sequence as follows: 100 level - 9th grade or introductory; 200 level - 10th grade; 300 level - 11th grade; 400 level - 12th grade, 500 level - AP or highest level offered.

## HONORS/ADVANCED PLACEMENT COURSES

**Shady Side does not designate any courses as "honors"** because all courses follow a rigorous college preparatory curriculum.

Advanced Placement courses are offered in **three** subject areas: math, foreign language and computer science.

## REPORTING OF DISCIPLINE

Students are expected to act with integrity in all academic and personal matters. Shady Side Academy complies with NACAC's Code of Ethics and Professional Practices. Applicable disciplinary issues will be reported to colleges accordingly.
