Summary Sheet: Project-Based or Peer Evaluation

Directions: Please be aware of the following timelines as the evaluation cycle comes to a close.

<u>By April 1st</u>: Complete the questions below and bring this form to a meeting with your administrator. You will also bring your project documentation or Peer Observation forms to this meeting.

<u>By May 1st</u>: Complete the Standards Checklist with Narrative Summary form provided by your administrator. You will check off each standard as you reflect on the entire school year. The narrative portion will be your revised responses from this form as a reflection on the project completed or from the peer observations and how this affected your professional growth. After you and your administrator conference on your project, you will be able to cut/paste your responses into the narrative section of the Standards Checklist.

1. In a concise paragraph, describe the project that you completed as part of your evaluation. If you participated in the Peer Evaluation method, please list the dates that you were observed and the topics of the lessons.

2. Using the Developmental Continuum of Teachers' Abilities that are aligned with The California Standards for the Teaching Profession, please write a 2-5 sentence explanation of how completing your project-based evaluation helped you grow professionally in each of the following areas:

Standard One: Engaging and Supporting All Students in Learning

Standard Two: Creating and Maintaining an Effective Environment for Student Learning

Standard Three: Understanding and Organizing Subject Matter for Student Learning

Standard Four: Planning Instruction and Designing Learning Experiences for All Students

Standard Five: Assessing Student Learning

Standard Six: Developing as a Professional Educator

Standard Seven: Fulfilling Professional Responsibilities

3. Describe your overall growth as an educator this year as a result of the evaluation cycle?

4. Specifically, how has this evaluation affected your classroom teaching?

5. How can you share or expand your project or what you learned as a result of a peer evaluation to a department-wide or school-wide benefit?
