ARTICLE II RECOGNITION OF EXCLUSIVE REPRESENTATIVE

Section 1. Recognition: In accordance with P.E.L.R.A., the school board recognizes the Eden Prairie Education Association as the exclusive representative of teachers employed by the school board of Independent School District 272, which association representative shall have those rights and duties as prescribed by P.E.L.R.A. and as described in the provisions of this Agreement.

Section 2. Appropriate Unit: The Association shall represent all teachers of the school district as defined in this Agreement and P.E.L.R.A.

ARTICLE III DEFINITIONS

Section 1. Terms and Conditions of Employment: Terms and conditions of employment mean the hours of employment, the compensation therefor, including fringe benefits, except retirement contributions or benefits, and the employer's personnel policies affecting the working conditions of the employees. In the case of professional employees, the term does not mean educational policies of a school district. The terms in both cases are subject to the provisions of Section 179A.07, Subd. 1 regarding the rights of public employers and the scope of negotiations.

Section 2. Teacher: The term "teacher" shall mean all persons employed by the school board in a position for which the person must be licensed by the Board of Teaching or Department of Education, including licensed school nurses and substitute teachers substituting for the same teacher more than thirty (30) days, but

excluding the following: superintendent, assistant superintendent, principals and assistant principals who devote more than 50% of their time to administrative or supervisory duties, administrative assistants to principals, confidential employees, supervisory employees, essential employees and such other employees as excluded by law.

Section 3. ECFE Teacher: When the term "Early Childhood Family Education (ECFE)" is used in this agreement, it shall refer to teachers compensated through Fund Four (Community Education Program) as distinguished from K-12 teachers compensated through Fund One (General Fund).

Section 4. School Board or School District: For purposes of this Agreement, the terms "school district", "school board" and "employer" shall mean the school board or its designated representative.

Section 5. Spouse: For purposes of this Agreement, the term "spouse", as defined by the Marriage Equality Act (MN Stat. 517.01) refers to same-sex and opposite-sex spouse.

Section 6. Other Terms: Terms not defined in this Agreement shall have those meanings as defined by P.E.L.R.A.

ARTICLE IV MANAGEMENT PREROGATIVES

Section 1. Inherent Managerial Rights: The Association recognizes that the school board is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel. All management rights and management functions not expressly delegated in this Agreement are reserved to the school board.

Section 2. Management Responsibilities: The Association recognizes the right and obligation of the school board to efficiently manage and conduct the operation of the school district within its legal limitations and with its primary obligation to provide educational opportunity for the students of the school district.

Section 3. Effect of Laws, Rules and Regulations: The Association recognizes that all employees covered by this Agreement shall perform the teaching and teaching-related services prescribed by the school board and the Association also recognizes the right, obligation and duty of the school board and its duly designated officials to promulgate rules, regulations, directives and orders so long as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement. The school board, Association and all employees covered by this Agreement are subject to the laws of the United States, the State of Minnesota and all valid rules, regulations and orders of the State Board of Education. Any provision of this Agreement found to be in violation of any such laws, rules, regulations, directives or orders shall be null and void and without force and effect.

This shall include names, addresses, telephone numbers, email addresses, district employee number, date of hire, FTE status, worksite location, and assignment of all bargaining unit members employed. The availability of such information released shall not be inconsistent with the rights of others as provided by law.

Subd. 4.b. If a teacher is assigned to a student contact or supervisory assignment in excess of that provided in Subd. 2 of this section or if a secondary teacher is assigned more than five (5) periods of teaching assignments per quarter within the framework of a six-period day, such teachers shall be compensated at a rate of one twentieth (5%) of the teacher's contracted 1.0 FTE base pay for that quarter. Such preparation time, however, will not be reduced when averaged over a week's time or the scheduling cycle used. During the preparation time, teachers will be available for

occasional school-related business, which cannot reasonably be scheduled at another time.

Such assignments shall be distributed as equitably as practicable among the staff and reasonable effort shall be made to consider the desires of the teacher in scheduling such activities.

Section 6. Other Arrangements: This Article is not intended to exclude other arrangements regarding the teacher's professional day which could be mutually agreed upon between the teaching staffs and the building administrations, subject to the approval of the superintendent.

If negotiations for a successor contract are not completed at the commencement of the 2021-22 school year, a teacher shall be compensated according to the last individual contract executed between the teacher and the school district until such time that a successor agreement is executed.

Section 3. Placement on Salary Schedule: The following rules shall be applicable in determining placement of a teacher on the appropriate salary schedule:

Subd. 1. The lists of items delineated in number 2 are defined in district policy and regulation 402.3R. All special education coursework taken from an accredited college or university will be defined as germane.

Prior Approval: All credits, in order to be considered for application on the salary schedule, must be approved by the superintendent or superintendent's designee, in writing, prior to the taking of the course. A teacher taking a course without receiving prior approval does so at his/her own risk. A form requesting a lane change must be completed not less than fifteen (15) days prior to the effective date, as provided in Subd. 5 hereof.

Subd. 5. Effective Date: Individual contracts will be modified to reflect qualified lane changes three (3) times a year. The first adjustment will be effective at the beginning of each school year, provided that the teacher submits satisfactory evidence of course completion no later than October 1 of that school year. The second adjustment will be effective February 1 of each school year, provided that the teacher submits satisfactory evidence of course completion by February 1. The third adjustment will be effective April 1 of each school year, provided that the teacher submits satisfactory evidence of course completion by April 1. If a transcript is not available by October 1, February 1, or April 1, other satisfactory evidence such as grade slip or signed statement by the teacher of the course completion will be accepted, pending receipt of the transcript. However, for salary adjustment

Such experience must have been gained within the last seven (7) years. Additional experience may be granted upon the discretion of the superintendent of schools, or superintendent's designee, for past experience related to the teaching position.

Subd. 3. Teaching Experience:

Subd. 3a. K-12 Teachers. A year of teaching experience for purposes of the salary schedule shall be construed to mean a minimum of one (1) semester or two (2) quarters of actual teaching days on a regularly contracted 1.0 half year or .5 - 20 or more hours per week - full year assignment within the same school year when such experience is within the Eden Prairie School District.

Subd. 3b. ECFE Teachers. An ECFE teacher, when experience does not equate to 20 hours per week all year, may combine two years to equal one or may average hours within a year to equal 20.

Subd. 4. Experience Outside Eden Prairie:

Section 6. Pay Periods:

Subd. 1. K-12 teachers shall have the option to be paid in twenty-four (24) or twenty (20) equal semi-monthly installments. Paydays shall be the 15th and the last day of each month or the last weekday preceding these days if the 15th or the last day should be a school holiday. A K-12 teacher must notify the school district in writing of the choice no later than August 1 and such choice shall be effective for the entire school year and thereafter unless change is made in writing prior to August 1.

Subd. 2. K-12 teachers who select the 24 semi-monthly installments shall have the option of receiving their remaining salary in a lump sum payment

**ARTICLE X
GROUP INSURANCE**

Section 1. Insurance Committee: The school district shall establish an insurance committee that shall include members appointed by the exclusive representative. The committee shall review insurance policies and programs and make recommendations to the superintendent. The insurance committee shall meet prior to policy changes and as needed, but, in any event, shall meet a minimum of once per year.

Section 2. Medical-Hospitalization Insurance:

Subd.1. Single Coverage - Not High Deductible with HRA (VEBA): The school district shall provide monthly a sum of money toward the premium for individual coverage for eligible employees of the school district who qualify for and are enrolled in any of the school district's group health and

hospitalization plans (with the exception of the high deductible plan). The sum provided by the school district shall be as follows

July 1, 2019 to June 30, 2020: \$742.00 per month
July 1, 2020 to June 30, 2021: \$756.00 per month

If the cost of the premium exceeds the district's total contribution, the difference in cost shall be borne by the employee and paid by payroll deduction. If the cost of the premium is less than the employee contribution, the district will not refund the difference between the premium and the district's negotiated contribution.

Subd. 2. Single Coverage – High Deductible with HRA (VEBA): The school district shall provide monthly a sum of money toward the premium for individual coverage for eligible employees of the school district who qualify for and are enrolled in the school district's high deductible group health and hospitalization plan. In addition, the school district will make a contribution on behalf of such employees to a Health Reimbursement Arrangement (HRA) established by the district in accordance with IRS Notice 2002-45 and Revenue Ruling 2002-41, from which employees may obtain reimbursement of expenses for medical care (as that term is defined in Section 213(d) of the Internal Revenue Code). The sums provided by the school district shall be as follows:

July 1, 2019 to July 30, 2020:

Premium contribution: \$706.00 per month
HRA (VEBA) contribution: \$ 50.00 per month
Total District Contribution: \$756.00 per month

If the 2019-20 premium is greater than \$692.00 per month, the district contribution to the premium will be increased (up to \$742.00 per month) to match the actual cost per month, and the HRA (VEBA) contribution will decrease so that the total of both contributions equals, but does not exceed, \$742.00 per month.

Conversely, if the 2019-20 premium is less than \$692.00 per month, the district contribution to the premium will be reduced to match the actual cost per month, and the HRA (VEBA) contribution will increase so that the total of both contributions equal \$742.00 per month.

If the cost of the premium exceeds the district's total contribution, the difference in cost shall be borne by the employee and paid by payroll deduction.

If the 2020-21 premium is greater than \$706.00 per month, the district contribution to the premium will be increased (up to \$756.00 per month) to match the actual cost per month, and the HRA (VEBA) contribution will decrease so that the total of both contributions equals, but does not exceed, \$756.00 per month.

Conversely, if the 2020-21 premium is less than \$706.00 per month, the district contribution to the premium will be reduced to match the actual cost per month, and the HRA (VEBA) contribution will increase so that the total of both contributions equal \$756.00 per month.

If the cost of the premium exceeds the district's total contribution, the difference in cost shall be borne by the employee and paid by payroll deduction.

Subd. 3. Family Coverage- Not High Deductible with HRA (VEBA): The school district shall provide monthly a sum of money toward the premium for family coverage for eligible employees of the school district who qualify for and are enrolled in any of the school district's group health and hospitalization plans for family coverage (with the exception of the high deductible plan). The sum shall be as follows:

July 1, 2019 to June 30, 2020: \$ 999.00 per month

July 1, 2020 to June 30, 2021: \$1013.00 per month

The cost of the premium not contributed by the school district shall be borne by the employee and paid by payroll deduction.

Subd. 4. Family Coverage – High Deductible with HRA (VEBA): The school district shall provide monthly a sum of money toward the premium for family coverage for eligible employees of the school district who qualify

for and are enrolled in the school district's high deductible group health and hospitalization plan. In addition, the school district will make a contribution on behalf of such employees to a Health Reimbursement Arrangement (HRA) established by the district in accordance with IRS Notice 2002-45 and Revenue Ruling 2002-41, from which employees may obtain reimbursement of expenses for medical care (as that term is defined in Section 213(d) of the Internal Revenue Code). The sums provided by the school district shall be as follows:

July 1, 2019 to July 30, 2020:

Premium contribution:	\$949.00 per month

Premium contribution:	\$963.00 per month
HRA (VEBA) contribution:	\$ 50.00 per month
Total District Contribution:	\$1013.00 per month

The cost of the premium not contributed by the school district shall be borne by the employee and paid by payroll deduction.

Subd. 5. If a teacher and his/her spouse are both employed in the Eden Prairie schools, both are eligible for health insurance, and one spouse enrolls in family coverage {including the high deductible with HRA (VEBA)}, they will receive a monthly contribution for family coverage 25% greater than the negotiated contribution to be applied to the family premium (the amount specified in Article X Section 2 Subd. 3). To qualify for this incentive, neither employee may enroll in the single health insurance option.

Section 3. Life Insurance:

Subd. 1. Basic Employee Life Insurance: The school district shall pay the premium cost for term life insurance with double indemnity for accidental death in an amount equal to twice the teacher's annual salary rounded to the nearest thousand dollars.

Subd. 2. Optional Life Insurance: So long as permitted by the school district's group insurance carrier, full-time teachers may purchase additional life insurance coverage on their own lives or on the lives of their spouse

and/or children. The cost of the premium for this optional life insurance shall be borne by the employee and paid by payroll deduction.

The premium cost, underwriting conditions, and insurance contracts shall be determined by the school district's group life insurance carrier. Any disputes that may arise between the carrier and the employee shall not involve the school district.

Section 4. Term Dental Insurance: The school district shall make dental insurance available to eligible employees. The school district shall contribute toward the cost of a composite dental insurance program as provided in the schedule within this subdivision. The cost of any premium not contributed by the school district shall be borne by the employee and paid by payroll deduction. (A composite program is defined as the identical premium for both single and family coverage.) The employer's contribution towards eligible employees' dental insurance program shall be as follows:

July 1, 2019 to June 30, 2020: \$76.65 per month

July 1, 2020 to June 30, 2021: \$76.65 per month

Section 5. Long-Term Disability Insurance:

Subd. 1. Premium Payments: The school district will pay the premium for the current long-term disability insurance plan for each eligible employee.

Subd. 2. Informational Description: The current long-term disability benefits provide for 66 2/3% of basic monthly earnings up to a maximum as provided for in the long-term disability plan after fulfilling the sixty (60) calendar days elimination period.

Section 6. Claims Against the School District: The parties agree that any description of insurance benefits contained in this Article are intended to be informational only, and the eligibility of any employee for benefits shall be governed by the terms of the insurance policy purchased by the school district pursuant to this Article. It is further understood that the school district's only obligation is to purchase an insurance policy and pay such amounts as agreed to herein, and no claim shall be made against the school district as a result of a denial of insurance benefits by an insurance carrier.

Section 7. Duration of Insurance Contributions:

Subd. 1. A teacher is eligible for school district contributions as provided in this Article as long as the K-12 teacher is employed by Independent School District 272. Upon termination of employment, all school district contributions shall cease effective on the last day of the month that the employee terminates employment. However, a K-12 teacher who has been employed for the full school year shall be entitled to school district contributions for insurance as provided in this Article, except for long-term disability insurance, for twelve (12) calendar months (September 1-August 31), as provided herein.

Subd. 2. ECFE Teachers:

Subd. 2a. Any Early Childhood Family Education teacher who is employed for at least twenty-four (24) hours per week (on average) for the full school term shall be eligible for insurance benefits as provided in this Article.

Subd. 2b. For informational purposes only, the parties believe that current law provides an opportunity for limited continuation of coverage for hospital-medical, dental and life insurance (COBRA language).

Section 8. Eligibility:

Subd. 1. Except as otherwise provided herein, benefits provided in this Article shall apply to teachers regularly employed at least twenty-four (24) hours per week and for the regular school year as defined in Article VI and shall not apply to teachers employed for a lesser period. However, first year teachers contracted for at least twenty-four (24) hours per week and for at least one semester shall receive insurance benefits beginning with the first day of employment.

Subd. 2. An employee working 875 hours or more per fiscal year without fulfilling the requirement of 4.8 hours per day, 24 hours or more per week, or 185 days per year may qualify for benefits subject to the working conditions being pre-approved in writing by the immediate supervisor and

the Executive Director of Human Resources. This special provision would be approved by the school district only if the special, flexible hours were in the best interests of the educational program of the school district.

Subd. 3. Subject to the underwriting rules of the medical-hospitalization insurance carriers, teachers employed less than twenty-four (24) hours but at least twenty (20) hours per week and for the regular school year shall be eligible to purchase medical-hospitalization insurance as provided in this Article, with the entire premium borne by the employee and paid by payroll deduction.

Subd. 4. Teachers who are employed less than twenty-four (24) but at least twenty (20) hours per week and who have at least six (6) years of full-time (40 hours per week and 185 days per year) longevity in the school district, shall receive life insurance and long-term disability benefits as defined in Sections 3 and 5 of this article. The first premium shall be paid by the district as of the first day of the month following the 60th calendar day of qualified disability and shall cease on the last day of the month following the discontinuance of the qualified disability or for a period of twelve (12) months, whichever is lesser.

Subd. 1a. K-12 Teachers. All eligible K-12 teachers shall earn sick leave at the rate of twelve (12) days for each year of service. Such

sick leave shall be a personal benefit to K-12 teachers and/or minor dependents. Annual sick leave shall accrue at the beginning of the school year.

Subd. 1b. ECFE Teachers. Early Childhood Family Education teachers employed twenty (20) or more hours per week are eligible to earn pro rata sick leave days. Such sick leave shall be a personal benefit to ECFE teachers and/or minor dependents. Sick leave shall accrue at the beginning of each assignment.

Subd. 2. Unused sick leave days will accumulate to a maximum credit of 185 days of sick leave per teacher of which a maximum of 173 days will carry over to the following year.

Subd. 3. Each teacher's accumulation of unused sick leave benefits shall be credited and communicated to the teacher at the opening of each school year. A request for sick leave shall be processed upon entry into the district leave system.

Subd. 4. Sick/Maternity Leave: Sick leave benefits with pay shall be allowed by the school district whenever a teacher's absence is found to have been due to either the teacher or teacher's minor child's illness or disability which prevented attendance at school and performance of duties on that day or days. If a mother gives birth but does not have enough accumulated sick leave to cover six weeks of disability, the district will grant them enough sick days to ensure paid coverage of this disability.

Subd. 5. A teacher may be required to present a statement from a qualified physician as evidence of such illness or disability.

Subd. 6. A teacher may use sick leave not to exceed five (5) days per year for serious illness in the immediate family. In addition, this leave may be used immediately before or after the adoption of a child or for paternal leave immediately before or after the birth of a child.

An additional five (5) days may be used for the adoption process, such as pre-adoption consultation, legal counsel, legal proceedings, travel associated with adoption, new home introduction, and naturalization proceedings. Adoption leave may not exceed 10 paid days.

An additional five (5) days may be used for paternity leave in cases of unique medical care needed for the birth mother or child(ren). Paternity leave may not exceed 10 paid days.

Subd. 6b. Subject to the discretion (pre-approval) of the superintendent or superintendent's designee, teachers may also request additional days for "serious illness in the immediate family" provided that the employee pays for his/her own substitute teacher. Any leave days taken under this subdivision (6b) shall not be subtracted from accumulated sick leave.

Subd. 7. Part-time teachers employed at least eighty-five (85) days per year and fourteen (14) hours per week shall be eligible for sick leave with such accrual of sick leave days being proportionate to their normal work day.

Section 2. Disaster Leave: The district shall provide disaster leave coverage for teachers who have exhausted accumulated sick leave days prior to the commencement of long-term disability benefits. A teacher will become eligible for disaster leave coverage after the teacher has been continually disabled and unable to teach for thirty (30) consecutive duty days as certified by a medical doctor. Disaster leave payments shall be retroactive to the day that regular sick leave payments expire and shall continue only for a period during which the teacher remains continuously disabled and unable to teach. Disaster leave payments shall cease on the 61st calendar day of disability.

Section 3. Worker's Compensation: Pursuant to M.S. 176, a teacher injured on the job in the service of the school district and collecting worker's compensation insurance, may draw sick leave and receive full salary from the school district, the salary to be reduced by an amount equal to the insurance payments, and only that fraction of the days not covered by insurance will be deducted from accrued sick leave.

Days used for this section shall not be deducted from sick leave.

Subd 2. Up to one (1) day of paid leave per occurrence shall be granted for the death of any other relative or friend not covered in Subd. 1 of this section. Early Childhood Family Education teachers employed twenty (20) or more hours per week for a full school term shall be eligible.

Section 5. Personal Leave of Absence:

Subd. 1. Personal Leave Accumulation:

Subd. 1a. K-12 teachers will earn one-half day of personal leave during any fiscal year when they work 85 days or more but less than 180 days per fiscal year. The administration will give priority to such requests in the order of their submission.

Subd. 3. An eligible employee as described in Article XI, Section 17, may request an advance of up to one (1) personal leave day. The employee must earn and pay back the advanced day of personal leave in the next school year. The employee will not be granted an advanced personal day in consecutive years. If an employee leaves the district's employment prior to earning the advanced personal day, then that day shall be deducted from the employee's last paycheck.

Section 6. Military Leave: Military leave shall be granted pursuant to applicable laws.

Section 7. Judicial Leave:

Subd. 1. A teacher who serves on jury duty shall be granted the day or days necessary as stipulated by the court to discharge this responsibility without any salary deduction or loss of basic leave allowance. In the event a teacher serves on jury duty pursuant to this section, the school district will compensate the teacher for the difference between the regular salary and the amount received as jury duty pay.

Subd. 2. A teacher who is subpoenaed shall be granted one day of leave without any salary deduction or loss of basic leave allowance. If the subpoena is for a school-related issue, the teacher will be granted the necessary leave required without any salary deduction or loss of basic leave allowance.

Section 8. Sabbatical Leave:

Subd. 1. A sabbatical leave of absence for professional study may be granted to a teacher in the Eden Prairie Schools who has demonstrated by performance that a sabbatical leave would enable the teacher to make a contribution to the improvement of the instructional program in District 272 in the judgment of the district, subject to the following provisions:

Subd. 2. In order to be eligible for sabbatical leave and qualify for the pay option provided in Subd. 6a, a teacher must have completed at least seven (7) full school years of employment within the Eden Prairie Schools. To qualify for the pay option provided in Subd. 6b, a teacher must have completed thirteen (13) full school years of employment within the Eden Prairie Schools. A full year of employment shall be defined as a minimum of twenty (20) hours per week and a minimum of two (2) quarters or one (1) semester of actual teaching days on a regularly contracted assignment during a school year within the Eden Prairie Schools since the teacher's initial date of employment or since the expiration of such teacher's last previous sabbatical leave.

Subd. 3. The number of sabbatical leaves granted in any one (1) year shall not exceed one percent (1%) of the full-time equivalent teachers in the appropriate unit, rounded to the nearest multiple of fifty (50).

Subd. 4. The proposed program of study must have written approval in advance by the superintendent of schools. The professional study for which sabbatical leave is granted shall be directly related to the teacher's assignment, as determined by the committee unless otherwise agreed in writing.

Subd. 5. The minimum length of a sabbatical leave shall be one (1) semester; the maximum length shall be one (1) full school year.

Subd. 6.

Subd. 6a. After seven (7) years of service in the Eden Prairie School District as defined in Subd. 2 of this section, the teacher shall have the option of one-half (1/2) of the salary for basic services (excluding any co-curricular pay) of the individual for the school term in which the sabbatical leave is taken; or three-quarters (3/4) of the salary for basic services (excluding any co-curricular pay) of the individual for the school term in which the sabbatical leave is taken and three-quarters (3/4) of the salary for basic services during the returning year.

in which the sabbatical leave is taken; or eight-tenths (8/10) of the salary for basic services (excluding any co-curricular pay) of the individual for the school term in which the sabbatical leave is taken and eight-tenths (8/10) of the salary for basic services during the returning year.

Subd. 7. Credits earned while on sabbatical leave shall not be credited for salary schedule advancement until the teacher returns to employment in the district.

Subd. 8. A teacher receiving a sabbatical leave of absence must agree in writing to return to the school district for at least one (1) year of service after completion of the sabbatical leave. A teacher who has received a sabbatical leave and fails to complete one (1) year of service with the school district for any reason other than the individual's incapacity to teach shall refund monies received from the school district for sabbatical leave and said monies shall be due and payable to the school district forthwith upon the cessation of employment in the school district. The teacher's obligation to return to the school district may be postponed by the duration of any subsequent leave granted by the school district.

Subd. 9. An application for a sabbatical leave must be made to the personnel director by February 1. The application must include:

1. A detailed course of study or prospectus of proposed activity, including but not limited to the institution where study will take place, courses and number of credits to be carried, dates of study, and all other details surrounding the program.

3. A letter of recommendation from the immediate supervisor (building principal).

Subd. 10. Applicants will be interviewed by the Sabbatical Leave Committee composed of one (1) administrator appointed by the superintendent, two (2) teachers appointed by the EPEA, one (1) board member appointed by the school board, the personnel director, and the superintendent. Interviews will be scheduled by March 1, and the applicants

will be notified of their status by March 15. The teacher must confirm acceptance of a sabbatical leave offer within 15 days of the offer.

Subd. 11. If the number of qualified applicants exceeds the quota, the Sabbatical Leave Committee shall rank the applicants and sabbatical leaves shall be granted in that order. The ranking of applicants shall be based on (1) length of service in the school district, (2) contributions made to the district, and (3) as equitable a distribution of leaves among grade levels and departments as possible.

Subd. 12. A teacher on sabbatical leave will be returned to the same teaching duties held at the time the sabbatical leave commenced unless those duties no longer exist within the same building(s), subject area(s) or grade level.

Subd. 13. A teacher is eligible to continue group insurance benefits, if permitted by the terms of the policy, including the board contribution, pursuant to this Agreement. A teacher on leave under this section shall retain all accumulated disability and personal leave, but no additional disability and personal leave shall accrue during the period of time the teacher is on leave.

Subd. 14. A teacher returning to the school district from sabbatical leave shall be entitled to placement on the salary schedule the same as if he/she had been teaching during the year.

Section 9. Professional Development Leave:

Subd. 1. The school district and the Association recognize the importance of professional development and recommend that professional absence days be utilized where appropriate.

Subd. 2. Teachers shall be allowed to attend, with full pay, professional meetings and other activities of a professional nature upon the approval in advance of the superintendent or superintendent's designee.

Section 10. Association Leave:

Subd. 1. The Association shall have twenty-four (24) non-cumulative paid days credited to it at the beginning of each school year for Association

representatives to conduct duties of the Association. The school district shall pay the cost of the substitutes.

Subd. 2. The Association shall have eight (8) additional non-cumulative days per school year for Association representatives to conduct duties of the Association. However, the Association shall pay the cost of the substitute teacher.

Subd. 3. Association Leave days may be taken in full days or portions thereof, subject to the mutual agreement of the EPEA President and the Executive Director of Human Resources.

Subd. 4. In addition to provisions in Subds. 1 and 2, up to six (6) teacher representatives shall be allowed to attend mediation or arbitration sessions with no loss of pay, when ordered by the Bureau of Mediation Services, with the school district to pay the cost of the substitutes.

Subd. 5. During each school year, the school district shall grant a four-tenths or five-tenths reassignment to the EPEA president, or a portion thereof, as a teacher on special assignment for fulfilling the duties of the EPEA president subject to the EPEA president notifying the Human Resources Department by April 1 of each respective year of his or her intent to be on reassignment for the succeeding school year. If the EPEA president elects this assignment, then the twenty-four (24) non-cumulative paid days as referenced in Subd. 1 of this section shall be decreased to twelve (12) days. The district shall act as the fiscal agent in paying the EPEA president's full salary as determined by his/her placement on the current salary schedule, and he/she shall receive benefits as though the teacher was employed under his/her normal teaching contract for the same contract time as provided for in the previous school year. Therefore, a teacher having taught 6/10s time or more in the previous year would receive benefits, and a teacher having worked less than 6/10s would not receive benefits. The teacher serving as Association president retains the same rights to his/her position as assigned during the year preceding his/her EPEA presidency. The EPEA shall reimburse the district all but twelve (12) full days of the district's cost for salary and benefits of the substitute (replacement) teacher.

Section 11. General Leaves:

Subd. 1. Teachers in the school district may apply for an unpaid leave of absence subject to the provisions of this section. The granting of such leave shall be at the discretion of the school district.

Subd. 2. Such leave may be granted by the school district for the following reasons: education, health, career change, election to political office, overseas teaching, Peace Corps, National Teacher Corps, extended illness of the teacher's family, civic activities or other reasons deemed appropriate by the school district. (For insurance benefits and seniority, see Sections 14, 15, and 16 of this Article.)

Section 12. Child Care Leave:

Subd. 1. The school district shall grant, upon request of the teacher, a child care leave, without pay, to one (1) parent of a pre-school age child, natural or adopted, subject to the provisions of this section. For purposes of this section, the term childcare shall include but not be limited to the period of time when a teacher is pregnant.

Subd. 2. In the event of a pregnancy, a teacher may continue her duties until the onset of the disability and thereafter utilize disability leave with pay during the period of disability. Thereafter, a teacher may request a childcare leave. However, if the teacher requests a childcare leave prior to the onset of disability, such child care leave shall be in effect from the date of commencement through the period of childbirth and recovery.

Subd. 3. A pregnant teacher shall notify the personnel director in writing not later than the end of the sixth month of pregnancy, and, also at such time, provide a physician's statement indicating the estimated date of delivery of the child.

Subd. 4. A teacher may take a child care leave of up to twelve (12) months. The commencement and return date of child care leave shall be determined by mutual agreement between the teacher and the superintendent, or superintendent's designee, taking into account the continuity of the instructional program and the desires of the teacher.

Subd. 5. In approving a child care leave of absence, the school district shall not be required to grant any leave more than twelve (12) months in duration or permit the teacher to return to his/her employment prior to the date designated in the approved child care leave.

Subd. 6. A teacher on child care leave will be returned to the same teaching duties held at the time the child care leave commenced unless those duties no longer exist within the same building(s), subject area(s), grade level, or if the child care leave extends into the second duty year, all subject to the provisions of Article XII (Unrequested Leaves of Absence and Seniority Policy).

Section 13. Medical Leave:

Subd. 1. A continuing contract teacher who is unable to teach because of illness or disability, and has exhausted all disability leave credit available, or has become eligible for long-term disability compensation, shall, upon request, be granted a medical leave of absence, without pay, up to one (1) year. The school district may, in its discretion, renew such a leave.

Subd. 2. A request for leave of absence or renewal thereof under this section shall be accompanied by a written doctor's statement outlining the conditions of health and estimated time at which the employee is expected to be able to assume his/her normal responsibilities.

Subd. 3. If an employee is not granted a renewal of a medical leave of absence, in the discretion of the school district, such employee's employment may be terminated pursuant to M.S. 122A.40. (For insurance, benefits and seniority see Sections 14, 15, and 16 of this Article.)

Section 14. Insurance Application: A teacher on leave under Sections 11, 12, and 13 of this Article is eligible to continue to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs that he/she wishes to retain commencing with the beginning of the leave. It is the responsibility of the employee to make arrangements with the school business office to pay to the school district the monthly premium amounts in advance and on such dates as determined by the school district. The right to continue participation in such group insurance programs, however, will discontinue upon termination of employment. However, a teacher who has performed services

for at least one (1) semester or two (2) quarters during the school year shall receive the full school district contribution.

Section 15. Accrued Benefits: A teacher on leave under Sections 11, 12, and 13 of this Article shall retain such amounts of experience credit for pay purposes and other accrued benefits, if any, which he/she had accrued at the time he/she went on leave for use upon his/her return. No additional experience credit for pay purposes or other benefits shall accrue for the period of time that an employee is on leave under this Article.

Section 16. Seniority: For purposes of seniority standing, a teacher on leave, pursuant to this Article, shall continue to accrue seniority during such leaves of absence.

Section 17. Eligibility: Except as otherwise provided herein, benefits provided in this Article shall apply to teachers employed at least twenty (20) hours per week and for the regular school year, and shall not apply to teachers employed for a lesser period. However, part-time teachers employed at least eighty-five (85) days per year and fourteen (14) hours per week shall be eligible for disability leave with such accrual of disability leave days being proportionate to their normal work day.

ARTICLE XII UNREQUESTED LEAVE OF ABSENCE AND SENIORITY POLICY

Section 1. Purpose: The purpose of this policy is to implement the provisions of M.S. 122A.40, Subd. 10, which policy, when adopted, shall constitute a plan for unrequested leave because of discontinuance of positions, lack of pupils, financial limitation or merger of classes caused by consolidation of districts.

Section 2. Definitions:

Subd. 1. For purposes of this policy, the terms defined shall have the meaning respectively ascribed to them.

Subd. 2. "Teacher" means a member of the appropriate unit as defined in this Agreement, provided, however, individuals employed to perform Early Childhood Family Education duties shall not be "teachers" in accordance with M.S. 122A.26 and thus should be excluded from all provisions of this

Article. As provided by M.S. 122A.26, Early Childhood Family Education teachers do not have continuing contract rights.

Subd. 3. "Qualified" shall mean a teacher who is licensed in the subject matter or field and has successfully taught such subject matter category within the past five (5) years or who has earned fifteen (15) graduate credits in the subject matter or field within the past five (5) years. Qualified shall also include teachers who hold a license but have a position that does not require a specific license. Those teachers will be considered qualified in their field of licensure if they have taught in that field for a minimum of five years.

Subd. 4. "Seniority" means continuing contract, qualified teachers commencing with the first day of actual service in the school district and shall exclude probationary teachers, and those teachers who are acting incumbents for teachers on authorized military, or other similar leave of absences. In the event of a staff reduction, action affecting teachers whose first date of employment commenced on the same date, and thus have equal seniority, the teacher with the lower license file number as required by the State Department of Education shall be deemed senior.

Subd. 5. In determining the length of seniority, a teacher whose employment has been legally terminated by resignation, or termination pursuant to M.S. 122A.40, but whose employment was subsequently reinstated, by action of the school district and the teacher, without interruption of regular service, shall retain his/her original seniority date.

Section 3. Unrequested Leaves of Absence:

Subd. 1. The school district may place on unrequested leave of absence for a period not to exceed five (5) calendar years from the time such leave is commenced, without pay or fringe benefits, such teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes. Such leave shall be effective no later than the close of the school year or at such earlier time as mutually agreed between the teacher and the school district. Such teachers may continue to participate in the school district group insurance plans provided they pay the entire premium.

Subd. 2. Teachers placed on such leave shall receive notice by July 1st of the school year prior to the commencement of such leave with reasons therefor.

Subd. 3. Teachers placed on unrequested leave shall be done in inverse order of seniority in the subject matter categories as listed in the seniority list. No teacher shall be placed on unrequested leave if there is any other qualified teacher with less seniority in the same subject matter category as listed in the seniority list.

Subd. 4. In any year in which a reduction of teaching staff is occurring, and the school district is placing teachers on unrequested leave of absence, only those certificates or licenses actually received by the superintendent's office for filing as of January 15 of such year shall be considered for purposes of determining layoff within areas of license for the following year. A license filed after January 15 shall be considered for purposes of recall, but not to the current reduction.

Subd. 5. Any teacher placed on such leave may engage in teaching or any other occupation during such period and may be eligible for unemployment compensation if otherwise eligible under that law for such compensation and such leave will not result in a loss of credit for years of service in the district earned prior to the commencement of such leave.

Section 4. Reinstatement:

Subd. 1. No new teacher shall be employed by the school district while any qualified teacher is on unrequested leave of absence in the subject matter category in positions covered by this Agreement. Teachers placed on unrequested leave of absence shall be reinstated to the position from which they have been given leave, or any other available position in the school district covered by this Agreement in the subject matter categories in which they are qualified as such positions become available. The order of reinstatement shall be in inverse order in which teachers were placed on unrequested leave.

Subd. 2. When placed on unrequested leave, a teacher shall file his/her name and address with the school district personnel office to which any notice of reinstatement or availability of position shall be mailed. Proof of service by the person in the school district depositing such notice to the

teacher at the last known address shall be sufficient, and it shall be the responsibility of any teacher on unrequested leave to provide for forwarding of mail or for address changes. Failure of a notice to reach a teacher shall not be the responsibility of the school district if any notice has been mailed as provided herein.

Subd. 3. If a position becomes available for which a teacher on unrequested leave is qualified, the district shall mail notice and the teacher shall have thirty (30) days from receipt of notice to accept or reject the position. Failure to respond in writing within the thirty (30) day period shall constitute a rejection of the position. A teacher rejecting reinstatement or accepting reinstatement to a position of less time than that from which the teacher was placed on unrequested leave shall retain recall rights under Section 4, Subd. 1 of this Article to be reinstated to an available position of equivalent or greater time.

Subd. 4. Reinstatement rights shall automatically cease five (5) years from the date unrequested leave was commenced and no further rights to reinstatement shall exist unless extended by written mutual consent with each qualified teacher.

Subd. 5. If notice of recall is given to any teacher less than two (2) weeks prior to the commencement of school in any school year, such teacher shall have the right to defer the effective date of return to actual service until the beginning of the next succeeding school year, provided, however, that any teacher so deferring the date of return to actual service shall sign an individual teacher contract for such next succeeding school year. Any teacher accepting recall shall notify the school district of such acceptance in writing, including notification of any election to defer the effective date of return to actual service, within thirty (30) calendar days after the date of mailing of the notice of recall. In the event a teacher accepts recall but defers the effective date of return, the school district shall be free to fill the vacant position on a temporary basis from any source, without regard to teachers remaining on unrequested leave of absence. The school district shall also be free to fill any position on a temporary basis pending completion of the recall procedure.

Section 5. Establishment of Seniority List:

Subd. 1. The school district shall cause a seniority list (by name, date of employment, qualification and subject matter category) to be prepared from its records. It shall thereupon post such list in an official place in each school building of the district by October 1 of each year.

Subd. 2. Any person whose name appears on such list and who may disagree with the findings of the school district and the order of seniority in said list shall have fifteen (15) days from the date of posting to supply written documentation, proof and request for seniority change to the school district.

Subd. 3. Within fifteen (15) days thereafter, the school district shall evaluate any and all such written communications regarding the order of seniority contained in said list and may make such changes the school district deems warranted. A final seniority list shall thereupon be prepared by the school district, which list, as revised, shall be binding on the school district and any teacher, unless within ten (10) days after the publication of such final list an employee shall file a grievance, and in such case the grievance shall be processed pursuant to the grievance procedure. Each year thereafter the school district shall cause such seniority list to be updated to reflect any addition or deletion of personnel caused by retirement, death, resignation, other cessation of services, or new employees. Such yearly revised list shall govern the application of the unrequested leave of absence policy until thereafter revised.

Section 6. Effect: This Article shall be effective at the beginning date of this Agreement and shall be governed by its duration clause. This Article shall govern all teachers as defined therein and shall not be construed to limit the rights of any other certified employee not covered by this Agreement or other Agreement affecting such certified employee.

ARTICLE XIII
RETIREMENT (PLAN A)
AND TAX-SHELTERED ANNUITY MATCHING PROGRAM (PLAN B)

Section 1. Definitions: Effective March 1, 1998, the school district shall provide a retirement program (Plan A) and a tax-sheltered annuity matching program (Plan B) for eligible teachers.

Subd. 1. Eligible teachers hired prior to October 1, 1993 shall have the option to select participation in either Plan A or Plan B; however, that selection must have been made by February 1, 1998. Any eligible teacher having failed to make a determination by February 1, 1998 shall automatically remain in the retirement option (Plan A). Subsequent to the February 1, 1998 determination date, employees hired prior to October 1, 1993 may convert from plan A to plan B if a determination is made during the annual open enrollment period; however, employees may not convert from plan B to plan A. All conversions from plan A to plan B as provided for in this subdivision shall be effective on the September 15th pay period of each year following the open enrollment period.

Subd. 2. The annual open enrollment date shall occur from May 15 to May 31 of each respective year.

Subd. 3. Eligible teachers hired on or after October 1, 1993 may participate in Plan B, but may not participate in Plan A.

Section 2. Retirement (Plan A):

Subd. 1. Full-time teachers who have completed at least eighteen (18) years of continuous service with the school district who are at least fifty-five (55) years of age shall be eligible for retirement pursuant to the provisions of this Section upon submission of a written resignation accepted by the school board. Employees may submit their written resignation to the personnel office by April 1.

Subd. 2. This Section shall apply only to teachers whose service has been full time, as defined by this Agreement.

Subd. 2a. Definition of Full Time: For this Section, full time shall be defined as those who are employed twenty (20) or more hours per

week and a minimum of one (1) semester or two (2) quarters of actual teaching days on a regularly contracted assignment within the same school year.

Subd. 2b. Definition of Continuous Service: For this Section, continuous service shall be defined as years employed in the Eden Prairie District. A year of unpaid leave shall not be counted as a year employed. However, upon return from an unpaid leave, a teacher's year of continuous service shall resume. A year of paid leave shall be counted as a year employed and cause no interruption in continuous service.

Subd. 3. Upon retirement, eligible teachers shall receive an amount representing thirty (30) days' pay placed in a Post-Retirement Health Care Savings Plan (commonly known as a VEBA plan).

Subd. 3a. The school district and the EPEA agree to establish a Voluntary Employee Beneficiary Association (VEBA) as authorized under Section 501c (9) of the Internal Revenue Code to provide health and welfare benefits to eligible teachers.

Subd. 3b. Teachers who retire under Plan A of the Collective Bargaining Agreement (Article XIII) must participate in the VEBA plan for the thirty (30) days' pay.

Subd. 3c. The District shall fulfill the benefit obligation to the teacher by making a contribution into a VEBA account of an amount equal to 100% of the benefit upon retirement.

Subd. 4. In addition to the retirement provided in Subd. 3, a teacher shall be eligible to receive upon his/her retirement the amount obtained by multiplying fifty percent (50%) of his/her unused number of sick leave days, but in any event not to exceed sixty-two (62) days, times his/her daily rate of pay.

Subd. 4a. The unused sick day amount shall be placed in the retiree's VEBA account.

Subd. 4b. In the year of retirement, the determination of a teacher's severance benefit shall take into consideration that any sick leave

taken in excess of six (6) continuous days per incident during that last year preceding retirement shall not be deducted from the teacher's accumulated sick leave for purposes of calculating retirement incentive as provided within this section.

Subd. 5. In applying these provisions, a teacher's daily rate of pay shall be the basic daily rate at the time of retirement, as provided in the basic salary schedule for the regular school year, and shall not include any additional compensation for extracurricular activities, extended employment or other extra compensation.

Subd. 6. Election of Retirement Benefits - (Plan A):

Subd. 6a. Retirement pay shall be paid by the school district within 30 days of the teacher's last day of employment in the district or as soon thereafter as is practical.

Subd. 6b. If a teacher dies before the retirement pay has been disbursed, that balance due shall be paid to a named beneficiary, or, lacking same, to the deceased's estate.

Subd. 7. Insurance Options for Retiring Teachers - (Plan A):

Subd. 7a. Any employee of District 272 who is a member of the district's major medical-hospitalization group plan who retires at the age of 55 or older, and who has ten (10) continuous years of employment in the school district, and who retires with twenty (20) years of membership in TRA, PERA, and/or the coordinated retirement programs, may continue as a member of the insurance group until eligible for Medicare with the same premium benefits as a full-time employee.

Subd. 7b. The school district will provide, when requested, partial medical-hospitalization premiums for employees retiring after the age of 60 with twenty (20) years membership in TRA, PERA, and/or the coordinated retirement programs, and with less than ten (10) years but more than six (6) years of continuous employment in the district. The district's portion of such premiums shall be paid on a percentage basis calculated by dividing the number of years served and fractions

thereof by ten (10). This portion of the premium shall be paid by the district for four (4) years.

Subd. 7c. The district's contribution for medical-hospitalization premiums will be based on the prevailing premium provided for full-time employees.

Subd. 7d. A retiring employee desiring to continue in the medical-hospitalization program may do so subject to the terms and conditions of the insurance provider.

Section 3. Tax Sheltered Annuity Matching Program (Plan B):

Subd. 1. This Section shall apply to teachers whose service has been full time, as defined in this Agreement and ECFE teachers as defined in this Agreement.

Subd. 1a. Definition of Full Time: For this Section, full time shall be defined as those who are employed twenty (20) or more hours per week and a minimum of one (1) semester or two (2) quarters of actual teaching days on a regularly contracted assignment within the same school year.

Subd. 2. Eligible Association members hired after October 1, 1993 shall be eligible to participate in this plan.

Subd.3. Eligible teachers having been hired prior to October 1, 1993 may elect to participate in this plan if they have made a determination by February 1, 1998, or if they have made a determination to convert to plan B during a subsequent open enrollment period as defined in Section 1 of this article, however, an eligible employee cannot participate in both plans simultaneously.

Subd. 4. This matching tax-sheltered annuity program will provide a dollar-for-dollar match of an eligible employee's tax-sheltered annuity up to 2.25% of the employee's basic salary; however, any additional earnings from co-curricular activities, extended year salary or any other sources of income shall be excluded from eligibility.

Subd. 5. The salary reduction program (403.b. tax-sheltered annuity program) shall be administered on an evenly-distributed formula over each pay period.

Subd. 6. The employee may select any qualified company pre-approved by the State of Minnesota and also pre-approved by the school district.

Subd. 7. The provisions of this section shall be administered in accordance with the district policy for TSAs.

Section 4. Group Hospitalization Insurance - (Plan A & Plan B): A teacher who retires pursuant to this Article but does not qualify for school-district-paid contributions pursuant to Section 2, Subd. 7 hereof, shall be eligible to continue participation in the school district group medical-hospitalization insurance plan, if permitted by the terms of the policy with the insurance carrier, but shall pay the entire premium for such insurance commencing with the date of his/her early retirement. It is the responsibility of such a teacher to make arrangements with the school business office to pay to the school district the monthly premium amounts in advance and on such date as determined by the school district. The teacher's right to continue participation in such group insurance, however, will discontinue upon the teacher reaching the age of Medicare.

ARTICLE XIV GRIEVANCE PROCEDURE

Section 1. Grievance Definition: A "grievance" shall mean an allegation by an employee resulting in a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement. The Association may file a class action grievance if the grievance involves more than five (5) employees.

Section 2. Representative: The employee, administrator, or school district may be represented during any step of the procedure by any person or agent designated by such party to act in his/her behalf.

Section 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the school district's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty (20) days after the date the event giving rise to the grievance occurred, or within twenty (20) days after the employee, through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time period's hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the school district's designee.

Section 5. Adjustment of Grievance: The parties shall attempt to adjust all grievances that may arise during the course of employment of any employee within the school district in the following manner.

Subd. 1. Level I: If the grievance is not resolved through informal discussions, the school district designee shall give a written decision on the grievance to the grievant involved, with a copy to the Association, within ten (10) days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the superintendent of schools, provided such appeal is made in writing within ten (10) days after receipt of

the decision in Level I. If a grievance is properly appealed to the superintendent, the superintendent or superintendent's designee shall set a time to meet regarding the grievance within ten (10) days after receipt of the appeal. Within ten (10) days after the meeting, the superintendent or superintendent's designee shall issue a decision in writing to the parties involved.

Section 6. School Board Review: The school board reserves the right to review any decision issued under Level I or Level II of this procedure at the request of the grievant or at its own instance provided the school board or its representative notify the parties of its intention to review within ten (10) days after a decision in Level I or Level II has been rendered. In the event the school board reviews a grievance under this section, the school board reserves the right to affirm, reverse or modify such decision and at the option of the school board, a committee or representative(s) of the school board may be designated by the school board to hear the appeal at this level, and report its findings and recommendations to the school board. The school board shall then render its decision within thirteen (13) days after its notification of intent to review.

Section 7. Denial of Grievance: Failure by the school board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 8. Arbitration Procedures: In the event that the employee and the school board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein with the approval of the Association:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the superintendent within fifteen (15) days following the decision in Level II or within fifteen (15) days after the decision of the school board if the school board reviews a decision pursuant to Section 6 of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator that has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the prior submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Minnesota Bureau of Mediation Services (BMS) to appoint an arbitrator, pursuant to M.S. 179.70, Subd. 4, providing such request is made within twenty (20) days after request for arbitration. The request shall ask that the appointment be made promptly after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the BMS within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decisions: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before him shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by in P.E.L.R.A.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses that the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering the copy of the transcript shall pay for such copy.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement, nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein, nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include, but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel.

In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public school boards to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operation.

Section 9. Grievance Form: A form that must be used for filing of grievances, provided herein as Attachment D, shall be provided by the school district. Such form shall be readily accessible in all school buildings.

Section 10. Election of Remedies and Waivers: A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive

any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another form as outlined herein, the employee shall waive his/her right to initiate a grievance pursuant to this Article or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator.

ARTICLE XV MISCELLANEOUS

Section 1. Tax Sheltered Annuities: Teachers will be eligible to participate in a tax sheltered annuity plan pursuant to United States Public Law No. 87-370, M.S. 123.35, Subd. 12, and school district policy.

Section 2. Physical Examination - New Teacher: The school district may require a new teacher to furnish medical evidence of his/her satisfactory health prior to commencement of service in the school system.

Section 3. Mileage Allowance: The school district shall pay for authorized use of personal cars in connection with school district business. The amount to be paid shall be the maximum allowed by the Internal Revenue Service without requiring the reporting of such reimbursement as income by the employee on his/her Federal tax return.

Section 4. Payroll Deduction: The school district agrees to provide payroll deduction for teachers subject to procedures as established by the school district business office.

Section 5. Individual Contracts: Individual contracts for regularly employed first-year probationary teachers, with the exception of ECFE teachers, issued by the school district shall be in the form as provided in Attachment E. The provisions of the individual teacher contract shall be subject to and not inconsistent with the provisions of this Agreement. As provided by M.S. 122A.26, ECFE teachers do not have continuing contract rights.

Section 6. Notice of Assignment: The school district will provide a teacher notice of tentative assignment prior to June 1 each year. The school district, however,

reserves the right to modify such assignments when necessary for the operation of the school district. This Section shall not apply to ECFE teachers.

Section 7. ADA Accommodations:

Subd. 1. Application: The Americans with Disabilities Act of 1990, as amended (ADA), 42 U.S.C. Statute 12101 et. seq. and the Minnesota Human Rights Act (MHRA), Minn. Statute 363.01 et. seq. impose certain obligations on the School District when a qualified individual with a disability is in the employ of the District. These obligations under the law could conflict with the application or interpretation of terms and conditions of employment of members of the teachers' bargaining unit. The parties understand and agree that the School District's obligations under the law will supersede and preempt the terms and conditions of employment for members of the teachers' bargaining unit.

Subd. 2. Procedures: The school district will notify the EPEA in writing of interpretations or applications of terms and conditions of employment that the school district believes may be inconsistent with the provision of the Master Contract as a result of the application of either the ADA or the MHRA. Data provided to the EPEA will be consistent with the provisions of the Minnesota Government Data Practices Act. The EPEA may request a Meet and Confer conference regarding the notice from the school district.

Subd. 3. Effect: The parties understand and agree that the provisions of federal and state law mandating reasonable accommodations to qualified individuals with a disability preempts and supersedes the terms and conditions of employment for members of the teachers' bargaining unit. Nothing in the Master Contract creates a right to grieve the application or interpretation of state or federal disability laws.

**ARTICLE XVI
DURATION**

Section 1. Term and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing on July 1, 2019 through June 30, 2021 and thereafter until modifications are made pursuant to P.E.L.R.A. If either party desires to modify or amend this Agreement commencing on July 1, 2021 it shall give written notice of such intent no later than May 1, 2021

Section 2. Effect: This Agreement constitutes the full and complete Agreement between the school district and the exclusive representative representing the teachers of the school district. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, school district policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions.

Section 3. Finality: Any matters relating to the current contract term, whether or not referred to in this Agreement, shall not be open for negotiations during the term of this Agreement, except by mutual agreement of the parties.

Section 4. Severability: The provisions of the Agreement shall be severable, and if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provision thereof. Any substitute provision shall be subject to negotiation between the parties to this Agreement.

This will include keeping the total contract days at the number set in the EPEA Master Agreement (185 days) plus 5 additional pro-rata days of pay for a total of 190 days.

2. Effective for the 2019-2021 school year, the School District and the Association agree that all current birth to three ECSE teachers hired on or after July 1, 2008 will work under the stretch calendar for the 2019-2021 school year. Each school year, 2019-20 and 2020-21, teachers hired prior to July 1, 2008 will be given an option of working the stretch calendar or the calendar as defined in the EPEA Master Agreement. This option will be in place for teachers hired prior to July 1, 2008, for the 2019-21 school years.

The Association and the ECSE administration will jointly meet with the ECSE birth-to-three ECSE team who will be on a stretch calendar to set a mutually agreed upon stretch calendar for the 2019-20 and 2020-21 school year. These meetings will take place prior to the transfer process being conducted.

3. For all ECSE teachers hired prior to July 1, 2008, and who are choosing the option of not electing to participate in the stretch calendar will work the District 185-day calendar defined in the EPEA Master Agreement (185 days). These meetings will take place prior to the transfer process being conducted.

4. The Association and the District will review this agreement on an annual basis for the purpose of evaluating the implementation of the stretch calendar. During the annual review of this MOU, the Association and the District will assess the program with the intent to refine and continue the stretch calendar for the ECSE birth-to-three teachers hired after July 1, 2008, and a choice given to the ECSE birth-to-three teachers hired prior to July 1, 2008 between the stretch calendar or the calendar defined in the EPEA Master Agreement.

Memo of Understanding 2019-2020
Q-Comp Letter of Agreement – Alternative Compensation Plan

Eden Prairie Schools’ primary goal is to increase student learning for each learner by providing each teacher with the support and tools to maximize his or her effectiveness as a teacher and encourage professional growth throughout the teacher’s career. The focus of the Eden Prairie Schools’ Alternative Compensation Plan is to attract, develop and retain high quality teachers.

This Letter of Agreement is entered into between Independent School District No. 272, Eden Prairie, Minnesota (hereinafter referred to as the “School District”) and the Eden Prairie Education Association (hereinafter referred to as the “Association”) as follows:

1. Effective for the 2019-2020 school year, the School District and the Association agree, contingent on approval by the Minnesota Department of Education, to enter into a one-year Letter of Agreement that includes a professional compensation system. The system includes a career ladder, professional development activities aligned with student needs, compensation linked to performance and student achievement, a comprehensive teacher evaluation system and an alternative pay schedule.
2. This agreement establishes a District Q-Comp Steering Committee, consisting of four teachers (EPEA President and three other teachers appointed by the EPEA President), the Q-Comp Coordinator and five administrators appointed by the Superintendent to meet regularly during the 2019-2020 school year to assist in system oversight. This committee will also serve as the district Q-Comp appeal committee.
3. This Letter of Agreement supersedes 2018-19 (2019-20 once ratified) Master Agreement only with regard to:
 - a. An Alternative Compensation Salary Schedule shall be in effect for the 2019-20 school year. Teachers on the Alternative Compensation Salary Schedule shall receive a Performance Increment (a step on salary schedule) after a year of experience and after demonstrating proficiency, as deemed by their Q-Comp Coach Observer. The structure of this salary schedule shall be identical to the 2019-21 Master Agreement.
 - b. Individual Performance Awards of \$2300 per teacher will be paid to teachers who have completed three observations and demonstrated proficiency, as deemed by their Q-Comp Observer.

Teachers will receive \$1150 of their \$2300 Individual Performance Award in a Post-Employment Voluntary Employee Beneficiary Association (VEBA).

This Individual Performance Award will be paid on June 30, 2020.

Teacher's on a leave of absence of more than two weeks (10 contract days) will receive a pro-rata award based on their FTE (adjusted for the days missed).

Teachers resigning prior to the completion of the school year will not be eligible to receive a performance award, team award and site award for the 2019-20 school year.

Teachers hired after October 1, 2019, will not be eligible to receive a performance award for the 2019-20 school year.

A long-term substitute teacher (working less than the full year) will not be eligible for the performance award for the 2019-20 school year.

Teachers who work less than full time (1.0 FTE per year) and at least 555 hours per contract year (an average of fifteen hours per week for the entire school year) and start on or before October 1, 2019 will choose to either:

1. Fulfill the same meeting expectations and observation requirements as a full-time teacher and receive the same Performance Award as a full-time teacher. Teachers electing this option will not receive additional compensation for meetings attended outside their regular workday.
 2. Fulfill the same observation requirements as a full-time teacher and attend a pro rata number of meetings. A teacher electing this option shall receive a pro rata amount of the Performance Award based on the teacher's fiscal FTE. Teachers electing this option will receive additional compensation for meetings attended outside their regular workday as approved by their supervisor and paid through site level funds.
- c. Collaborative Team Leads' allocations and job description will be reviewed by the Q-Comp Steering Committee prior to May 1, 2020 for 2020-21 school year. Collaborative Team Leads will be compensated by a stipend in the amount of \$900. Payments will be made by June 30th of each year. The Q-Comp Steering Committee will review the Collaborative Leads training and content of the Collaborative Teams for the 2019-20 school year.

Each teacher will have two observation cycles that consist of a pre-observation meeting, an observation, and a post-observation meeting based on the standards set the by Q-Comp Steering Committee within the Eden Prairie School District Framework for Effective Teaching Standards. Q-Comp Coach Observers will determine proficiency after the second observation (third observation for probationary teachers). Teachers found non-proficient after two observations will have a third observation to determine proficiency by the principal/site administrator together with their Q-Comp Coach Observer. The 3rd observation cycle needs to be completed by May 8, 2020.

d. The third observation for tenured teachers found proficient after two observations will be conducted by the site principal/associate principal or supervisor at the Education Center.

1. In the formative years of Minnesota Teacher Development and Evaluation, this observation will be a walk-through observation and a face to face meeting with the teacher to discuss their two Q-Comp observations conducted by their Q-Comp Coach Observer and the walk-through observation regarding student engagement.

2. In the summative years of Minnesota Teacher Development and Evaluation, this observation will be a comprehensive evaluation of all the domains of the Eden Prairie School District Framework for Effective Teaching Standards.

e. A teacher may appeal an observation report and ask to be observed by a different Q-Comp Coach Observer. The Q-Comp Coach Observer will be selected by the Executive Director of Human Resources. A written request for the replacement observation must be filed with the Executive Director of Human Resources within ten (10) working days of that observation's post-conference.

f. Teachers not reaching proficiency by the end of the 2019-20 school year will not receive a Performance Increment (or step on the salary schedule) for the 2020-21 school year and will not receive the Individual Performance Award for the 2019-20 school year. Continuing contract teachers not reaching proficiency by the end of the 2019-20 school year may request an additional observation during the 2020-21 school year by the principal/site administrator prior to December 31, 2020. If at that time they demonstrate proficiency on the 2019-20 standards set forth by the Q-Comp Steering Committee within the Eden Prairie School District Framework for Effective Teaching Standards, then they will receive the Performance Increment retroactive to the start of the 2020-21 school year. Based on the requested additional observation, the principal/site administrator will make the final determination regarding proficiency.

g. A Student Achievement Team Award of \$100 per teacher will be paid to each teacher whose team (as determined by their site) has met 2019-20 student achievement goals. Teachers who work less than full time (1.0 FTE per year) and at least 555 hours per contract year (an average of fifteen hours per week for the entire school year) and start on or before October 1, 2019 and participate in all Q-comp team meetings will receive the same Student Achievement Team Award as a full time teacher. All student achievement team S.M.A.R.T. goals will be reviewed by the site TLC and then submitted to the Q-Comp Steering Committee to be recommended for approval. The site TLC will review data to see if student achievement goals have been met. This award will be paid on June 30, 2020 or within 30 days after the required data becomes available if after June 15, 2020.

h. Site Achievement Awards of \$1 per teacher will be paid to each site that meets or exceeds the 2019-2020 student achievement site goal. The award is to be dedicated to the expenditures connected to professional development for teachers and be targeted toward improving student achievement. All awards will be reviewed and approved by the Q-Comp

Steering Committee. This award will be paid within 30 days after the required data becomes available. The site TLC will be responsible for the allocation of site funds. Any balance in this fund will carry over at the site for the following year.

i. At the end of the 2019-20 school year, unspent district Q-Comp funds will be placed in a designated Q-Comp account. The district Q-Comp Steering Committee will receive monthly budget statements regarding the Q-comp expenditures by site and also by the district. The Q-Comp Steering Committee will determine the future of such funds.

j. Teachers will be expected to attend all the PLC meetings as determined by the site TLC committee. The site TLC's will present the Q-Comp calendar to their staff prior to May 15, 2019.

k. Site PLC lead teams will review a proposed site calendar of PLC meeting dates before the end of the 2019 school year. These calendars will be shared with the Q Comp Coordinator.

l. By February 28, 2020 the Q-Comp Steering Committee will develop and review the Q-comp Budget for the 2020-21 school year. The Eden Prairie School District and the Eden Prairie Education Association will ensure that Q-Comp expenditures do not exceed Q-Comp revenues.

m. The staffing ratio/model, hiring process, job descriptions, and time commitment for Q-Comp Observer/Coaches and Leads will be reviewed by the Q-Comp Steering committee prior to the Q-Comp Lead positions being posted. In the event that hiring is after the district hiring rounds, any openings as a result of Q-Comp Coach/Observer hiring will be a Round 2 posting for 5 days. Observer/Coaches will receive additional, pro rata compensation if it is determined that their assignment exceeds the definition of full time.

n. A half-time (.5 FTE) Q-Comp District Coordinator will be hired for the 2019-20 school year pending available Q-Comp funding and approved budget of the Professional Compensation Steering Committee. The job description and hiring timeline will be reviewed by the District Q-comp Steering Committee. If a position becomes available because of a person being hired for the coordinator position, that position will become a round 2 posting.

o. Should the funding for the Q-Comp program be reduced by either state aid or reduced local levy to the point that the program could no longer be sustained, the EPEA and the Eden Prairie Schools agree to eliminate the Q-Comp Plan. Teachers would return to the system of pay increases as it existed prior to the creation of Q-Comp. Any negotiated changes to the salary schedule and benefits not associated with Q-Comp will be maintained.

4. This Letter of Agreement will sunset on June 30, 2020. If a successor agreement is not reached prior to June 30, 2020, the association and district may mutually agree in writing to continue this agreement until a successor agreement is reached.
