II. General Attendance Guidelines

Students are to attend and remain at school in accordance with the School Laws of Pennsylvania and local attendance regulations. Students who are not present for the school day (or some portion thereof) are subject to the attendance tracking procedures set forth in Section III., below.

Students who are released from the school campus during the school day are to be released only with the documented consent of a parent or guardian with custodial rights. In the case of split custody, the school shall only release the student to the parent with custodial rights to the student at the time for which release is sought except where the other parent consents in writing or in the case of an emergency where the student’s welfare is endangered.

Attendance need not always be within school facilities. A student will be considered in attendance if present at any place where school is in session by authority of the Board; the student is receiving approved tutorial instruction, or health or therapeutic services; the student is engaged in authorized school activities such as a field trip or competition; is engaged in an approved and properly supervised independent study, work-study or career education program; the student is receiving approved homebound instruction.

A. Unexcused Absences

All absences are considered unexcused until the District receives a written note or email documenting a valid reason for the absence, as detailed below. 2. If a verifiable doctor’s note is submitted to excuse an absence, the absence is deemed non-cumulative. Therefore, if a student has a doctor’s note that would excuse an absence, that original note can be presented to the school office upon their return. This generally only matters if the child will exceed ten (10) days of absence (not including educational trips). In addition, a student may be required to present a doctor’s note for one of the following reasons:

- A request for an accommodation such as ongoing need to leave early or arrive late to school on a regular basis, unless pursuant to a provision of a student’s IEP or 504 Plan.

subsequently return to the school, s/he will not be guaranteed placement in the same classroom as the one left before the withdrawal from attendance.

D. School Responses and Procedures for Unexcused Absences

Parents/guardians and students shall submit the required excuse note within three (3) school days of the absence. If written verification of the reason for absence is not received within three (3) school days of the absence, the absence will be counted towards the calculation of unexcused absences for purposes of reporting truancy. The absence may be reclassified if a valid excuse note is forthcoming within ten (10) school days from the date of the absence. Any request for reclassification of an absence after ten school days will be treated as a request for amendment of student records under the Student Records Policy. The accumulation of tardiness to school will be included in the calculation of a student's total number of unexcused absences for purposes of responding to and reporting unexcused absence, as detailed below.

A maximum of ten days of cumulative lawful absences may be permitted during a school year. All absences beyond ten cumulative days, not inclusive of pre-approved educational travel, shall require an excuse from the child's primary care or treating physician, who may not be the child's parent/guardian.

1. Third Unexcused Absence

Within ten (10) school days of a child's third unexcused absence, the school principal, assistant principal or designee shall send an Official Notice of Truancy. (See Attachment A). Included in this notice shall be a description of the consequences if the child becomes habitually truant. This notice may include the offer of a school attendance improvement conference, and shall be in the mode and language of communication preferred by the parent in parental relation to the child. When transmitted to a person who is not the biological or adoptive parent, such notice shall also be provided to the child's biological or adoptive parent if the parent's mailing address is on file with the school and the parent is not precluded from receiving the information by court order.

If the child continues to incur unexcused absences after the issuance of the Official Notice of Truancy, the school shall then offer by advance written notice a school attendance improvement conference to the child and the person in parental relation to the child, unless a conference was previously held following the Official Notice of Truancy. (See Attachment B) The following shall apply with respect to a school attendance improvement conference:

- There is no legal requirement that the child or person in parental relation attend the conference, and the conference shall occur even if the person in parental relation declines to participate or fails to attend the scheduled conference after advance written notice and attempts to communicate via telephone.
- The outcome of the conference shall be documented in a written school attendance improvement plan, on the template provided by the Department of Education for this purpose.

Re: Official Notice of Truancy

Dear _____,

This letter is to officially notify you that _____ has been absent from school without a lawful excuse on the following dates: _____.

Since your child has accumulated at least three (3) unexcused absences from school, in accordance with Pennsylvania law, your child is now considered truant, and in violation of the compulsory attendance provision of the Pennsylvania Public School Code (24 P.S. 13-1327).

Regular attendance at school is an important part of every student's success and is necessary in order to gain the greatest benefit from the educational experience. Students who are frequently absent from school miss direct instruction and regular contact with their teachers. At this time, you are strongly encouraged to contact me to schedule a school attendance improvement conference to discuss your child's absences and the underlying cause/reasons for the absences with the goal of improving your child's school attendance.

Please understand that if your child accumulates a total of six (6) unexcused absences in the current school year, your child will be considered habitually truant under Pennsylvania law, at which point the District is required to refer your child to either a school-based or community-based attendance improvement program or to the Montgomery County Office of Children and Youth for services or possible disposition as a dependent child. A citation may also be filed against you and/or your child in the office of the local magisterial district judge for prosecution. Consequences stemming from truancy proceedings before the local magisterial district judge can include fines, community service, loss of driving privileges, required completion of a course or program designed to improve school attendance, or jail time.

If you have any questions, please call my office at _____ or the guidance office at _____ so that we may work together to ensure _____'s educational success.

Sincerely,

Dear _____,

This letter is to officially notify you that _____ has been absent from school without a lawful excuse on the following dates: _____.

These absences are unexcused and, therefore, constitute a violation of the compulsory attendance provision of the Pennsylvania Public School Code (24 P.S. 13-1327). On _____, you were advised via an Official Notice of Truancy that your child is now considered truant in accordance with Pennsylvania law.

Since your child has incurred at least one additional unexcused absence since the issuance of the Official Notice of Truancy, and since a school attendance improvement conference has not yet been held, this letter is to advise you that such a conference is required to be scheduled by law. The conference is scheduled to take place on _____ at _____ o'clock and will be located at _____. If you have any questions or are unable to attend the conference at the scheduled time and would like to have the conference rescheduled to a more convenient time, please contact me as soon as possible. Additional information regarding school attendance improvement conferences is contained in the enclosed Administrative Regulation 207 (Attendance).

Please understand that if your child continues to incur unexcused absences from school and becomes habitually truant, which is defined in Pennsylvania law as having incurred six (6) unexcused absences in the current school year, the District is required to refer your child to either a school-based or community-based attendance improvement program or to the Montgomery County Office of Children and Youth for services or possible disposition as a dependent child. Attachment C

The right of a student to make up work missed due to absence will depend on the nature of the absence as set forth below. The Principal shall be responsible for notifying students of their responsibilities under this Regulation.

I. Excused Absences

A. Work Missed Because of a Short Absence (1-3 days)

The responsibility for making-up work rests with the student. Students should assume that normal classroom activities have occurred on the day(s) of the absence and it is suggested that the student review online resources to obtain assignments. A student will be given twice the number of school days of absence to complete work missed. The only exception to such a provision shall be long-term assignments which were due during the absence or on the day the student returns. Such long-term assignments are due on the day the student returns to school.

B. Work Missed Due to Prolonged Absence (this does not include students who are provided homebound instruction)

The responsibility for making-up work rests with the student. After a student has been absent for more than three days, assignments may be requested by contacting the appropriate guidance counselor in middle and high schools or the elementary school office. Such assignments shall be supplied within twenty-four hours. If assignments have not been secured during an absence, students may obtain missed assignments and reschedule missed tests on the first day after an absence or on the first day a class meets thereafter. All missed work shall be completed according to a schedule developed jointly by the student and teacher within a period not to exceed twice the number of school days which the student was absent. If the prolonged absence has received pre-approval by the principal or designee, arrangements for the completion of some of the work to be missed may be made prior to the absence at the discretion of the teacher.

C. Missed Final and Mid-Term Examinations (High School)

Students who request to miss midterm or final exams due to extenuating circumstances will have to do the following in order to make up the exams:

- obtain the REQUEST FOR MIDTERM/FINAL EXAM RESCHEDULING FORM,
- submit it to the appropriate assistant principal for approval
- give the approved form to the appropriate teacher(s) for their signatures
- take the form to the parent(s) or guardian(s) for their signatures.
- Return the completed form to the appropriate assistant principal.

All exams must be completed within the appropriate time frame. An "Incomplete" will be given until the exam is taken. If the final exam is not taken by September 30th of the following school year, the grade will become an "F." If a midterm is not made up within 1 week of the conclusion of midterm exams, the Incomplete becomes an "F."

D. Failure to Make-Up Missed Work

Failure of a student to adhere to the established time limits may result in a zero for all work which has been missed at the discretion of the teacher. Students who have failed to meet the established time limitations for the make-up of missed work may request reconsideration of a teacher decision by the principal or designee who shall determine whether an extension of the time limit should be granted.

E. Any deviations from the guidelines listed above must be approved in writing by the Building Principal.

II. Unexcused Absences

A student may, at the teacher's discretion, receive a reduced grade for all work missed during periods of unexcused absence including a zero grade if the work is not made up as set forth above in Section I.D. above. Students wishing to appeal the designation of an absence as unexcused may request reconsideration by the principal or designee.

III. Suspensions from School
