 - AP STUDENTS: Register for your AP exams! You have until Halloween to do it so head to Total Registration to get started.
 - If you haven't changed your apps.nsd.org email account, you have a little longer. The student deadline has been moved to October 31st... but the sooner the better!
-

MONDAY: PICTURE RETAKES/MAKE-UPS

Dorian will be here on Monday for school picture retakes. If you need them, stop by the Commons between 8 and 11 in the morning.

STUDENT IDs - Any student who is **new to BHS and doesn't have one yet**, needs one! If that's you, please come to the Main Office by the end of Friday to sign up.

For students who need **replacement IDs** - bring \$5. You have to pay in advance. You also need to stop at the Main Office to get your name on a list for a pass.

OCTOBER IS BULLYING PREVENTION MONTH

Adults can't provide eyes everywhere, so we count on you students to speak up and look out for your classmates when you think they're experiencing bullying.

Think about these things as we try to make BHS a bully-free environment.

Week of October 14th STAND UP for Others Week

- STAND UP to bullying
- Create Positive Messages to Hand out at School
- Celebrate Differences and Similarities
