

ahs parent teacher organization

September 2019

The Athens Parent Teacher Organization (PTO) is looking forward to another great year of academic excellence. We take pride in our annual contributions to Athens which benefit the student's educational experiences.

Donations from fundraising efforts and parent contributions are essential for the PTO to support our Athens Staff and Students. Last year, the Athens PTO was fortunate enough to support our staff with almost \$7,000 to enhance their classrooms and ensure the best learning environment for the students. We were also able to support our students with nearly \$7,400 to enable them to be impactful leaders in their community/school environment.

Come and join us! We provide a comfortable environment for you to share your input and ask questions. We also provide you access to a teacher representative, a Student Congress representative, an NHS representative and our Principal in hopes that you will leave feeling informed.
