Digital Citizenship Announcements Week: Privacy and Security 10/18/19

Here are a few words of wisdom regarding digital citizenship. This week, we are focusing on Privacy & Security. Password strength is an easy way to keep your information secure on the Internet. At Maryville City Schools, we recommend that each person: Choose passwords that are eight or more characters- a combination of letters, numbers, and symbols; don't include your name or birthday in your password; change passwords every six months; and keep your passwords a secret- even from friends.

The information you give out online can impact your life offline. The choices are yours.

ARCTIC ADVENTURE IN THE LIBRARY

Get ready for an **ARCTIC ADVENTURE!!!** A blast of cold air and **AWESOME** is coming to the Library, and you won't want to miss it! Brand new books will blow in like a snowstorm from October 21-25!
