"On March 3, 2018, 400 members of our community gathered for the In Bloom Auction to celebrate our children's growth at SCDS and raise a glass to our talented faculty and staff. We are immensely grateful to the 22 leads and 141 parent volunteers who put in countless hours to make the evening bloom. Over \$517K was raised for SCDS—a true testament to this community's generosity and spirit."

"Over the past two years as Parent Council President, I have been so impressed by the parent and caregiver community at SCDS. In ways large and small, each family dedicates time, treasure, or talent to make our community stronger and more vibrant. Ultimately, this dedication and care helps our children flourish into thoughtful, creative, and engaged citizens of our local and global community."
