Smoking

The Board of Education is convinced, on the basis of substantial scientific and medical evidence, that smoking poses a serious hazard to the health of smokers and non-smokers alike. In addition, the Board believes that a school system, as an institution committed to the positive growth and development of young people that it serves.

Students

There shall be no smoking or any other unauthorized use of tobacco, or any tobacco products including electronic cigarettes, by students in any school building or school vehicle at any time, or on any school grounds or at any time when the student is subject to the supervision of designated school personnel, such as when the student is at any school function, extracurricular event, field trip, or school related activity such as a work-study program.

An ongoing program of student support and counseling will be offered to provide support for students who wish to break the smoking habit.

Staff and Public

It is the policy of the Board of Education, consistent with Connecticut General Statutes, to prohibit smoking within school buildings at all times, and to prohibit smoking on school grounds while school is in session or student activities are conducted. Breaks by employees to smoke or use tobacco products are considered recreational activities. If an employee takes a break from work to smoke or use tobacco products or leaves school grounds at any time for any reason other than district business, including to smoke or use tobacco products, he/she will not be considered to be acting within the normal course and scope of employment.
