This off-campus program option to earn a Gilman Athletic credit is designed for boys who:

- b. In the assessment of the head varsity coach and approved by the Director of Athletics, show precociousness in his sport and his participation in this off campus program would benefit Gilman's US sport program by his participation.

#### All Students:

- May participate in an approved off-campus activity for sports offered by Gilman at the varsity level. Approval of this activity needs to be given by the pertinent varsity head coach and a Director of Athletics.
- May participate in an approved off-campus activity for a sport that is not currently offered by Gilman. Approval of this activity needs to be given by a Director of Athletics.
- *Must do a minimum of two hours a week in a Gilman intramural athletic activity on campus in the same season of the requested off-campus activity* (unless an exception is granted by a Director of Athletics).

#### The following must be done before turning in the completed contract each season:

1. Boys must meet with Mr. Holmes to discuss their off campus plans and fill out the contract.
2. The Gilman Varsity head coach, if applicable, must approve the plan.
3. A Director of Athletics must approve the plan.
4. The outside coach(es) who you work with will receive an email from Mr. Holmes verifying participation.
