BOARD OF EDUCATION

DISTRICT GOALS

2019-2020

1. Establish healthy channels of outreach, communication, engagement, and collaboration with town government and the community.
2. Systematically use meaningful data to drive, improve and track student success.
3. Continue to design and implement an integrated plan for professional learning aligned with district needs.
4. Continue the implementation of revised curriculum with an emphasis on alignment and consistency between documented curriculum and delivered curriculum.
