

**Eagan High School Robotics Team
Blue Twilight
Team 2220**

Lettering Policy

1. Students must attend 90% or more of the practices and events.
 2. Students must show Gracious Professionalism to their teammates and all adult mentors at all times.
 3. Students must actively participate in at least one regional competition.
 4. Students must actively participate and contribute to at least one aspect of the teams' non-build season preparation efforts.
 5. Students must demonstrate dedication to the team effort by accomplishing assigned tasks during build season.
 6. The student must not have been disciplined for any negative behavior at any team meetings or events.
 7. Students will be eligible after their second and successive years of participation. Requirements #1 through 6 must be accomplished BOTH years of participation in order to receive a letter at end of the second season.
- * The awarding of a letter is subject to approval of all the mentors and advisors. The adult leadership will meet at the end of the competition season and determine as a group who has earned a letter for robotics.
