Administrative Services Credential Clear Induction Program

**Program Overview**

The Hanford Elementary School District CASC program offers a job-embedded, site-based, individualized coaching program as an approved pathway for clearing the Preliminary Administrative Services Credential. The California Commission on Teacher Credentialing (CTC) authorized the completion of an approved *Clear Administrative Services Credential Induction Program* as the only option for completing the Professional Administrative Services Credential, effective July 1, 2015.

Certification of the completion of all training requirements is accomplished through a two-year program that includes one-on one coaching with a skilled administrator, an individualized induction learning plan, professional learning, as well as a culminating portfolio representing two years of leadership development as an instructional leader based upon the California Professional Standards for Educational Leaders (CPSEL).
