

Pine Crest School seeks a Middle School Spanish Teacher ASAP (long term substitute)

Pine Crest School is a college preparatory PreK-12 school of 2650 students, with two campuses – a preK-8 campus in Boca Raton, and a preK-12 campus in Fort Lauderdale. Founded in 1934, we have a reputation for working with very bright students who seek academic challenges. We are looking for a Spanish language teacher to work with students in grades 6-8 on our Boca Raton campus.

The ideal candidate will already have teaching experience at an independent school that embraces instruction through differentiated and project-based learning, as well as collaborative classroom practices. We have adopted the ACTFL standards and would expect our new colleague to be very familiar with the “Can do” statements and proficiency levels outlined in those standards.

The successful candidate will enjoy working with young adolescents and be able to teach five sections of Spanish to grade 8 students at the regular and honors levels.

This is a long-term substitute position beginning immediately and running through the end of the school year (June, 2020). If all goes well there may be a permanent position available for the 2020-2021 school year. We will not know our open positions for the upcoming school year until the spring of 2020.

If interested in this position, please e-mail the following documents to anita.tychsen@pinecrest.edu:

- Cover letter describing your experience, including information about your training
- Resume
- List of three references (all supervisors) with contact information
- Note: Please put “MS Spanish Teacher” in the subject line of your message

For more information about Pine Crest School, please see our website at www.pinecrest.edu

Anticipated start date: November 11, 2019.
