

# SUSTAINER PROGRAM

**Sustainers make ongoing, monthly contributions to SPA. Their gifts are put to work right away, supporting our students' greatest needs.**

## The Benefits:

- **Impact:** Monthly giving helps you maximize your Annual Fund gift by incorporating it into your monthly budget.
- **Sustainability:** As a sustainer, you will not receive email, phone, or paper solicitations, saving paper, postage, and time.
- **Convenience:** You can automatically direct your monthly gift from your credit card. Your gift arrives on time, without the stress of remembering to give. Sustainers can also stop or change the amount of their gift at any time.

**Look how you can stretch your gift by becoming a Sustainer:**
