Our Mission

SAGE RIDGE SCHOOL GRADUATES CURIOUS AND CONFIDENT CITIZENS WHO EMBRACE RIGOROUS SCHOLARSHIP, RESPECT THE DIGNITY OF INDIVIDUALS, CHOOSE INTEGRITY, EMBODY COURAGE, CULTIVATE A COMPASSIONATE COMMUNITY, AND ULTIMATELY THRIVE IN COLLEGE AND IN OUR GLOBAL SOCIETY.
Sage Ridge Pillars & Portrait of a Graduate

Sage Ridge graduates are global citizens who demonstrate:

**SCHOLARSHIP**  Creative thinking and innovative problem-solving

**RESPECT**  Compassion and empathy for people, ideas, and diversity

**INTEGRITY**  A commitment to ethical behavior

**COURAGE**  Self-awareness and leadership

**COMMUNITY**  A desire to serve others and create relationships through scholarship, respect, integrity and courage
Greetings Sage Ridge Families and Friends:

It is a privilege to join the Sage Ridge Community at this pivotal moment in the school’s journey. Sage Ridge has established many traditions of excellence in the first 20 years, and its outstanding reputation is well deserved.

Without the vision of our founders and the ongoing support of our entire community, our school could not continue to develop the leaders our world needs.

We are celebrating our first 20 years, and this annual report demonstrates that we have the solid foundation to build an even brighter future as we continue to provide an education that emphasizes our pillars of Scholarship, Respect, Integrity, Courage, and Community.

Education is the greatest investment we can make in our future and our children’s future. I look forward to working together as we grow with the greater Reno community.

Gratefully,

Tobin S. Bechtel
Head of School
ACADEMICS | DEVELOPING LIFELONG LEARNERS
Connecting With Our Community
A significant grant was received from the Edwin L. Wiegand Trust.

Innovation is created from the opportunity to experiment. Students need access to mentors and a place where it is safe to fail and try again in order to develop the next generation of revolutionary solutions.

Sage Ridge School is that place, and The Edwin L. Wiegand Trust is providing our students with creative opportunities.
Tools for Exploring the Future

This grant, implemented in two parts, allows Sage Ridge students to obtain media literacy skills while experimenting with the latest communication technologies.

Outreach Programs

Bernice Mathews

As part of our Little Buddy Program, each of our Grade 8 students mentors a first grader from Bernice Mathews Elementary School, where 90% of students live at or below the poverty level. By engaging in fun activities, Sage Ridge students support their buddies academically and forge meaningful bonds with them.
Sage Ridge is proud to participate with the 90,000 members of Girls Who Code in a national effort to close the gender gap in Technology. In 2017-18, 17 Middle School girls participated weekly. These young women:

- Gained skills in various coding languages
- Forged friendships by connecting through computer science
- Toured the Tesla Gigafactory, participated in Cyberinfrastructure Day at UNR, and attended Microsoft’s DigiGirlz event
