Campus Visit Day

1. Complete our admissions application, which goes live on November 1st and will be available through August 2020.
2. Give permission to request student transcripts from current school. You can email admissions or select “submit” when asked on page 4 of the admissions application.
3. Schedule a campus tour and interview with our enrollment manager, Amanda Boulier.
4. Schedule applicant testing on campus.
5. Campus Visit Days are optional, but highly encouraged.

Those who complete the admissions process by April 1st are eligible for first-round decisions which will be announced by April 30th.

For students applying after April 1st, Marshall follows a rolling admissions process.

Applicants who have received offers of admission will receive an email from TADS. At this time, families may log in to complete their enrollment contract in TADS. Enrollment contracts and deposits are due approximately 10 days after acceptance.
