

## **Transportation – Role of District**

- The school will adhere to the Code of Conduct.
- The school bus driver will conduct drills on school buses three times throughout the school year in the bus zone at school. Students are required to cooperate in these drills.
- Follow the direction of the school personnel in charge of the bus zone; this is for the safety of students as well as vehicles.
- The school has the right to regulate and restrict parking on school property. Please do not unload students in your vehicle in the bus zones. Passing a stopped school bus, even on school grounds, is a violation of New York State Vehicle and Traffic law section 1174.
- The school will broadcast any school closings or delays on the District Website, as well as the following radio and television stations:
  - WALK (1370AM, 97.5FM)
  - WBLI (106.1FM)
  - WBAB (102.3FM)
  - FOX 5 (TV)
  - NEWS 12 (TV)

## **Transportation – School Bus Drivers**

- The driver will maintain order on the bus and be in charge of discipline. If there is a problem, let the driver know immediately so it can be corrected.
- The driver will maintain the bus and keep it clean. Please cooperate with your driver in this matter.
- The driver will instruct and be in charge of conducting bus drills.
- When school bus drivers note a violation of the school bus safety rules, the driver fills out the report stating the facts of the incident to the best of their knowledge. The report is then turned in to the Transportation Supervisor, who in turn sends it to the building principal who determines any further action to be taken. The bus driver does not decide the punishment.
