

HAS Newsletter

October 4th, 2019

Dear Parents

Assistant Principal, Ms. Spagnola and I enjoyed meeting both new and returning families at the HAS Open House, and we look forward to seeing you again at many upcoming events during the course of the school year.

As your child acclimates to the new school year, your assistance is greatly appreciated as they adapt to their new school routines. Thank you in advance for ensuring that students arrive to school on time, rested and prepared for their day with sneakers on their gym days, instruments on instrumental music lesson days and making certain that homework assignments arrive on the days they are due.

There are many events scheduled for our students this school year. Please note that, in an attempt to go paperless, the HAS Newsletter, monthly calendar and district school lunch menus may be accessed at any time from the HCSD Website's main page, www.harrisoncsd.org.

Thank you for your continued support.

Valerie Hymes, Principal
