

SLUH

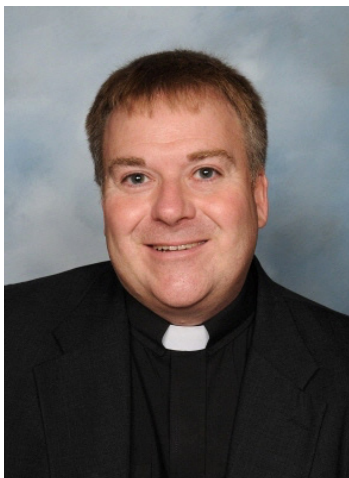

AD MAJOREM DEI GLORIAM

Welcome to our campus! St. Louis University High School is grateful for your support of this soccer game. As SLUH moves into its third century of educational leadership, our varsity soccer program continues to build on its 76 years of coeducational excellence. In his second year as head coach, Bob O'Connell brings many years of experience to our storied program, and we are excited for his leadership in both in the classroom and on the soccer field. We also are deeply appreciative for the wonderful commitment of all the coaches and officials present today.

As you enjoy the game, please join our efforts to promote sportsmanship, goodwill, and community. These soccer programs provide our youth a remarkable opportunity to develop leadership, athleticism, and civic virtue. With your words and actions as a fan, you too will help build upon these foundations for all the athletes and students present today.

Thank you for joining us today, and enjoy the game.

SLUH

AD MAJOREM DEI GLORIAM

Dear Members of the SLUH Family and All Guests Attending Tonight's Contest,

Welcome to the campus of St. Louis University High School!

As an alumnus of the Class of 1991 and former student-athlete, I am honored to continue my leadership of the athletic department. I look forward to growing the partnership with coaches, administrators, teachers, parents, and others in the SLUH community as we build on the strengths of the program and strive for excellence in all facets of SLUH athletics.

As the SLUH community moves forward into its third century, SLUH fans will be blessed with plenty of opportunities to root for the Junior Billikens as the soccer program embarks upon the fourth quarter of its first century of competition!

As the third Varsity Head Coach in the SLUH soccer program since Ebbie Dunn began his tenure in the 1955-56 winter season, Bob O'Connell and his staff are excited about the opportunity to contribute to the tradition-rich narrative that details the proud history of our program. Coach O'Connell and his staff will provide instruction and leadership that is unique to their chapter in our program's history, but that also connects with, honors, and recognizes the efforts and accomplishments of Ebbie Dunn, Charlie Martel, and others who have used soccer as a platform to develop young men in accord with the school's mission and the Ignatian principle of being Men for Others.

The SLUH Athletics Mission states, in part:

"Student-athletes, coaches and parents are called upon to work together in a true spirit of sportsmanship to assist in creating an environment in which those Ignatian values can be revealed, tested and proven relevant both to participants and the entire SLUH community."

As we gather in Solidarity to support the Junior Bills, I encourage you to show respect for the teams, the officials, our guests, and the game itself. By demonstrating sportsmanship, we will connect this event to the growth and development of our student-athletes according to the tenets of an Ignatian education.

Thank you for your attendance at this contest and your support of SLUH.

Chris Muskopf
Athletic Director

SPORTSMANSHIP

It is the desire of St. Louis University High School that good sportsmanship is practiced by all students, players, parents and fans. Therefore, such acts as throwing items on the playing surface, participation in vulgar cheers, and the demeaning of referees, cheerleaders and opponents will be considered foreign to the philosophy of good sportsmanship that is embraced by SLUH and its athletic department.

Violators may be asked to leave the premises and possibly banned from attending future SLUH athletic events.

Please support your school in a manner that will reflect positively on you, your family and your school.

Winning is for a day ... Sportsmanship and ethics are for a lifetime!
