## Boys' Latin High School Ledger

10.25.2019

---

### **Early Dismissal – Thursday, October 31<sup>st</sup>**

We will have a 12:05 pm dismissal on Thursday, October 31<sup>st</sup> for Halloween. There will not be lunch service that day.

### **Warriors of the Week**

This week's warrior of the week is a student who has top notch grades currently at the 1<sup>st</sup> honors level. He is a senior leader who sets an example of what it means to be an invested student, a trusted brother, and someone who acts with integrity in all his actions. He represents his peers as a member of student government and carried the name of Boys' Latin with him as he has studied in a special exchange program at the Mountain school in Vermont. For upholding the best of what it means to be a warrior both in the Boys' Latin community and out of the Boys' Latin community, I take great pleasure in announcing **Mi'Wan Shoatz-Carter** as our warrior of the week.

### **Saturday School – October 26<sup>th</sup>**

Our next Saturday school is October 26<sup>th</sup> from 9 am to noon. Any student failing a class should plan on attending Saturday School to help improve their failing grade. All students are welcome to come and meet with teachers for extra help and make up any missing work. This is a great time to get individualized help and support in your school work. Students are not required to be in uniform to attend Saturday School.

### **Office Hours for Student Support**

To provide students with additional academic support, we have scheduled Office Hours for teachers on Monday, Tuesday, and Wednesday afternoons. All 9th-grade students are rostered into an Office Hour cohort (4-8 students) one day a week with an individual teacher. Additionally, 10th, 11th, and 12th graders who are earning below a 2.0 GPA (C average) have been added to rosters for Office Hours.

Students may check with their assigned cohort and visit other teachers for help with a pass. In addition, 9th-grade students who are maintaining a GPA higher than 2.3 (C+ average) are permitted to check-in for their Office Hour and then be dismissed. As Office Hours fulfill Leadership Academy credit, it is mandatory for students to take part in Office Hours by completing assignments and getting the extra help to improve their grades.
