

# **Springhouse Middle School Announcements**

**Tuesday**

**Today is Day 3**

## **STUDENT ACTIVITIES**

### **PICTURE RETAKES**

**OCTOBER 30th** is Picture retakes in Auxiliary Gym. Please pay attention to overhead announcements for grade level times

### **YSSF**

The Young Scientist Science Fair (YSSF) is an after-school program for **sixth-grade** students, designed to increase students' passion for the sciences and to improve on important life-skills of research, communication, and presentation. On Monday 10/7, your child was introduced to the program and was handed a registration form, detailing the program, meetings, and sign-up procedure. Parkland High School students will guide your child throughout the process, answering any questions your child may have. At each meeting, students will be given valuable instruction on research methods, presentation etiquette, and public speaking. Next year, students in the seventh grade Science GHP classes will be required to conduct a science fair project. YSSF teaches students the foundational principles of scientific research, providing early guidance on essential skills needed for next year.

**Interested students must send the registration form to Dr. Sandt at Parkland High School by October 30, 2019.**

**If there are any questions, please contact YSSF President Dharshan Tharumia at [dharsantharumia.yssf@gmail.com](mailto:dharsantharumia.yssf@gmail.com).**

### **Save around the city books**

Please remind your students if they did not turn in their form or are returning the books, to do so as soon as possible.

### **Dance team**

Do you have dance training and think it would be awesome to join the Parkland Middle School Dance Team? Well, you're in luck! A meeting will be held this Thursday, October 31st, which will inform those interested about what it takes to become a part of the Parkland Dance Team. Listen for the announcement before period X for the meeting location.

## **Guidance**

2020 Prudential Spirit of Community Awards
