

Greenwich Public Schools Kindergarten Spotlight

Kindergarten Spotlight provides an early opportunity for families considering their educational options to learn more about the GPS program. The GPS Kindergarten Orientation and Registration process held at individual elementary schools begins in March.

Join us at Kindergarten Spotlight and learn about:

- Our approach to teaching our young learners ... setting them on the path to academic, personal and interpersonal success
- Our curriculum, services and programs
- A day in the life of a kindergarten student
- Our kindergarten classrooms ... including a walkthrough of a classroom for interested parents
