

ANNUAL GIVING REPORT

MARCH 2017 TO MARCH 2018

In the latter part of 2017, MSJ started a fundraising appeal for bursaries to support The Founders' Awards, the scholarships that are bestowed on the most exceptional girls going into Sixth Form. We are very encouraged by the response we have had so far which will help sustain the awards going forward, and we thank everyone who has donated. Your gift will go towards creating a transformational experience for Award beneficiaries.

The school also provides bursary funding through working capital to a significant number of students every year but, typically for a girls' school, Malvern St James has no endowment. Effective and continued fundraising therefore remains crucial to its ability to provide bursaries for girls from a wide range of backgrounds, ensuring that the school remains inclusive and diverse, and rewards talent regardless of circumstances.

Thank you for this very encouraging start, and for supporting Malvern St James and its pupils.

If you are interested in knowing more about single gifts, regular giving or legacy intentions, and how they can help the work of the school, please get in touch with Fiona Meredith ~ oga@malvernstjames.co.uk

Donations to the The Founders' Awards Bursary Campaign have been gratefully received from the following:

Old Girls and Honorary Members

Mrs Elizabeth Anson
(Maude, St James's 1957)
Mrs Hilary Banner (Gardner, MGC 1968)
