

Sun Prairie Area School District

Futures depend on us...every child, every day.

Sun Prairie Area School District Proclaims April as the month of the Military Children

Whereas: Military members from the Sun Prairie community help to respond to emergencies and defend our country. In April, the Month of the Military Child, the Sun Prairie Area School district takes time to recognize the critical role of the children of military families whose parents serve our community, state, and nation. The Sun Prairie Area School District is committed to supporting the children of military families who face unique challenges.

Whereas: The average military student faces transition challenges more than twice during high school, and most military children will attend six to nine different school systems throughout their lives from kindergarten to 12th grade.

Whereas: The Sun Prairie Area School District is committed to supporting the children of military families, so they can succeed in overcoming challenges and remain on target for achieving their educational goals along with their peers.

Whereas: In April 2018, the Sun Prairie Area School District will recognize the important role military children play in their families, schools, and our community. April is designated as the *Month of the Military Child*.

Now, therefore, I, Tom Weber, President of the Sun Prairie Area School Board, do hereby proclaim the month of April as the *Month of the Military Child*, and recognize military children for their contributions to our district. I invite everyone to take time to honor our military youth and their families.

Tom Weber, President, Sun Prairie Area School Board

Dated, this 23rd day of April 2018
