

Parent 1:1 Program Acceptance:

I read and understand the 1:1 Chromebook Agreement and I am indicating my acceptance by signing below. The Chromebook assigned to my student is owned by the District and my student will be assigned the same Chromebook in the following school year while at Minooka 201. Upon graduation (or transferring out) of Minooka 201, I will return my child(ren)'s Chromebook. I will have the option to purchase the Chromebook upon graduation from Minooka 201. Upon purchase, the Chromebook will be factory reset and filters or safeguards removed. The unit cost will be determined each spring based on market value.

I will speak to my student(s) and encourage the proper use and responsibility of having a Chromebook. I understand that fines for services, repairs and/or replacements may be charged as outlined below for repeat occurrences. Parents will be notified if changes are made to this policy.

Item Replacement	Cost
Full (or Entire) Keyboard	\$40
Trackpad	\$30
Screen	\$50
