Pelahatchie JROTC Homecoming Parade 2018

Welcome to Pelahatchie Junior ROTC. In this program cadets will be encouraged to be a part of our drill team, color guard, raider team, and other activities. Cadets will learn the principles of leadership throughout the year. Opportunities will be given to all cadets throughout the year to excel in the Pelahatchie Junior ROTC program. Pelahatchie Junior ROTC provides community service opportunities to all cadets willing to participate. Army JROTC is an experiential learning program that will challenge you in ways that none of your other classes do. Whether a cadet is willing to participate in the programs PHS JROTC has to offer, all participation from cadets is a valuable part of his or her educational experience. Once again welcome to Pelahatchie JROTC.

Chain of Command

C/LTC Jose Banuelas

LET 1 – C/PVT Kaylie Keyes

In 2019-2020 school year our goals for Pelahatchie junior ROTC for our participating cadets and to any upcoming students who wish to join are to excel in the JROTC program. This year we plan to motivate our freshman cadets to participate in as many of our programs and activities as possible. We will motivate our cadets to become the best citizens they can be. We look forward to another successful year of academic excellence and discipline improvement among our cadets.
