Curriculum

Stevenson High School offers a wide variety of courses in order to challenge each student to achieve to his/her potential. More than 250 courses are offered, some on different levels of content depth and breadth. Initial placement into levels is determined by proficiency test score, department director recommendations, and previous academic performance.

Classes taken at Stevenson are 47 minutes in length, five days per week, 38 weeks per year.

Students receive one credit per semester for each course successfully completed (except for those taken at the Lake County Technology Campus and most Advanced Placement science classes, which meet for 1.5 periods per day).

A total of 31 Advanced Placement (AP) classes are offered. For many years, Stevenson High School has been an international leader in the number of AP classes offered and exams administered. Freshmen at Stevenson do not enroll in AP courses. There also are 16 honor-level courses not designated as AP.

Graduation Requirements

Students receive one credit per semester for each course successfully completed (except for those taken at the Lake County Technology Campus and Advanced Placement science classes, which meet for 1.5 periods per day). A total of 45 semester credits is required for graduation.

Grading System

Letter grades are assigned a different point value at each class level as follows, with the College Prep serving as our standard:

LEVELS	A	B	C	D
College Prep	4.0	3.0	2.0	1.0
Accelerated	4.5	3.5	2.5	1.5
Honors	5.0	4.0	3.0	2.0

Class of 2020	Weighted	Unweighted
Highest GPA	4.82	4.0
Highest Possible	4.82	4.0

A weighted and an unweighted grade point average are calculated for each student every semester. All courses are included in these averages except for physical education, driver education, correspondence courses, pass/fail courses, audit and independent study courses, and courses taken as part of an exchange program.

Students may elect to waive the grade from certain non-academic elective courses from the calculation of their grade point average.

Stevenson High School does not report class rank of any kind. Beginning with the Class of 2020, Stevenson High School will not put the language proficiency classes from middle school on transcripts.

Transcript Information

Official Stevenson High School transcripts are released only to an accredited educational institution or to the NCAA Eligibility Center. All transcripts are sent electronically through Parchment. A weighted and unweighted grade point average are reported for each student. Test scores are not included on the transcript; students request that test scores be forwarded directly from the testing agency.

A counselor signature on a college application verifies the accuracy of the student's academic record. Only information which is a part of the permanent record generated by Stevenson High School can be verified.

Traditional high school courses taken in middle school are not included on the transcript. Students who begin high school in a second year or higher level course have completed the introductory level(s) successfully before entering ninth grade.
