Call to order: 5:04 Adjourn: 5:35

1. Virtual High School (VHS): We discussed the process of students registering for virtual high school and the cost per student. Being a part of VHS, we have 1 teacher currently teaching a VHS course. Discussion also revolved around VHS student course work and its rigor. We currently have policies related to VHS that will need to be reviewed as we have multiple students taking our ASL course through VHS as our former American Sign Language teacher resigned at the start of this school year.
