

## Drew Charter School's CCRPI Scores Significantly Exceed State and District Averages

October 25<sup>th</sup> 2019

The Georgia Department of Education released the 2019 College and Career Ready Performance Index (CCRPI) scores today, a comprehensive 0-100 score that measures a school's academic achievement and growth, along with other school factors. Drew's scores exceeded the state and district averages for all academies.

Academy highlights include:

### All Academies

- Earned 4 of 5 stars for the annual school climate rating

### Senior Academy

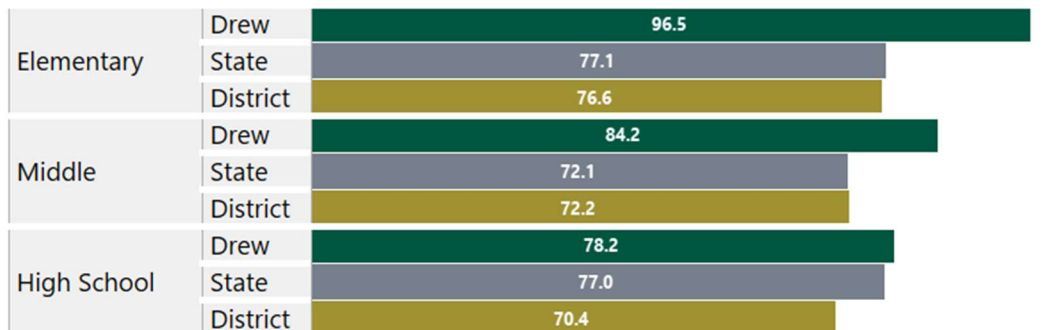

- Significant increase in career pathway completers
- Met all subgroup targets for social studies (US History and Economics)

### Junior Academy

- Scores increased in Content Mastery, Closing the Gap and Readiness categories from 2018
- Earned the 2<sup>nd</sup> highest Readiness score in the district, which measures literacy, attendance and arts participation

### Elementary Academy

- Earned the 2<sup>nd</sup> highest CCRPI score in the district
- Moved up from the 92<sup>nd</sup> percentile in the state (2018) to the 97<sup>th</sup> percentile (2019)!
- Only elementary school within Atlanta Public Schools to earn 100 points for the growth category
