

STEM NIGHT

AT UNIONVILLE HIGH SCHOOL

WITH **◀ DUPONT ▶**

Careers in STEM fields are among the highest paying and fastest growing in the world today. Please join us for STEM Night at UHS, in coordination with Dupont. Hear first hand from Dupont engineers and scientists what it's like to work in a STEM career field and how you can get there.

Keynote speech from Randy Stone, President, Transportation & Industrial at DuPont and a panel discussion with Dupont engineers and scientists.

INTERACTIVE BREAKOUT SESSIONS INCLUDE:

- Panel Discussions with DuPont Engineers
- 3D Printing
- Drone Challenge
- Laser Engraving
- Sphero Activities
- UCF Robotics Club-FTC League
- VEX Robotics Challenges
- Technical College HS
- Coding Activities
- Crime Scene Investigation

Activities for ALL Ages!

NOV 21 | 6:30-8:30PM | UHS
