

Why ECHS?

- Highly motivated students can take college courses and knock out two years of college free of cost (tuition, books and fees are waived for students).
- Save money and time by integrating high school and Tarrant County College classes as early as 9th grade year.
- Scholarly community focused on college course matriculation.
- Provides rigor, depth and intensity of college-level work in high school.
- Access to TCC campus, study centers, after school tutorials and AVID system.
- 1 to 1 laptop campus.
- Student leadership and career development opportunities.
- Clubs and organizations are offered at ECHS, Timberview and TCC. Students cannot participate in UIL Athletic teams and fine arts.
- Serves the intellectual and developmental needs of students looking to accelerate through curriculum and focus on college.
- 9th and 10th grade courses are housed in Timberview. Most 11th and 12th grade courses are held on TCC Southeast Campus.

Who is eligible to apply?

ECHS is seeking scholars who will dedicate themselves to an accelerated high school and college environment. Student desire is key.

Applicants should be:

- Least likely to go to college, students seeking acceleration, males and under-represented college population.
- Current 8th graders who reside in the MISD boundaries.
- Interested in a non-traditional learning with a college focus.
- Should understand that this environment is a rigorous, college-going environment.

TCC SE Mansfield ISD Early College High School at Timberview

Our mission is to develop scholars, thoughtful leaders and productive citizens to earn their high school diploma and up to 60 hours of college credit and/or associate's degree.
