

ROCORI Early Childhood

527 Main Street Cold Spring, MN 56320

320-685-8631

Erin Tronbak, Early Childhood Coordinator

ROCORI Early Childhood Parents,

The year is flying by here at the ROCORI Early Childhood program! As much as we would like a long, mild fall, we all know how quickly fall can change into winter in Minnesota. In preparation of winter weather, we would like to make you aware of our inclement weather policies regarding early release, late starts, and school closings. **If your child is in daycare, please make sure to pass this information on to your daycare provider.**

The decision to have school during inclement weather has to do with the school's ability to safely transport students, however if a parent feels that it is unsafe for their child to come to school, the parent should keep their child home. **The final decision to send a child to school during inclement weather rests with the parent.**

In the event of inclement winter weather, you can turn to multiple sources for notification of school closings or late starts (listen for "ROCORI Area Schools")

Late Start:

When the ROCORI School District has a late start, all Half-day morning classes and morning ECFE classes will be cancelled. ROCORI preschool will follow the Flexible Learning Day Plan for these classes. The All-day class will start late, on the same delay as the rest of the district. Afternoon classes will run as scheduled.

Early Closing:

In the event of an early closing, announcements will be made through the sources listed above.

ROCORI preschool will follow the Flexible Learning Day Plan for classes affected by early closing.

Typically, the Preschool classes release earlier than K-12, so please be listening/watching for our close times. Students that are assigned to bus routes, either through preschool busing or with a bus buddy, will still have that option on an early out day. If your child has a bus buddy, it will be your responsibility to make sure the bus buddy will also be riding the bus. If alternate plans are made for your child, please call the DEF building at 320-685-8631.

If school is dismissed early, there will be no evening ECFE classes.

School Closing:

The ROCORI Preschool and ECFE follows the same schedule as the rest of the ROCORI District for school closing. Announcements will be made through the sources listed above. In the event of a school closing, ROCORI preschool will follow the Flexible Learning Day Plan that the District follows.

For more information about this plan, please refer to the email sent earlier in October from Superintendent Kelvington or to the ROCORI website.

Kid Care:

If your child is enrolled in Kid Care, please refer to the Kid Care handbook, which can be found on the ROCORI website at <https://www.rocori.k12.mn.us/community-ed/kid-care>

If you should have any questions, please contact ROCORI Early Childhood at 320-685-8631.
