

The 8th grade lady Knights played a very tough team from Boulan yesterday. The lady Knights started out strong and played their most physical game of the season. Each player spent time on the ground, blocking shots, and forcing jump balls. It was an overall team effort and the ladies won 15-4.

Scoring was spread out, and the Knights played very good defense. It was the first game all season that we had the entire team in attendance.

The Knights ended up sharing the city championship, and displayed grit, hustle, and a no quit attitude. Coach Koneval is very proud of their efforts. If you see them in the hall, please congratulate them. They are:
