

**BEING A
TITLE 1
SCHOOL**

PUTNAM CITY NORTH

WHAT IS TITLE 1

Title 1 is a federal program to provide supplemental funding and support to schools that have 40% or more students enrolled in the free or reduced lunch program.

Elementary and Secondary Education Act (ESEA), is our oldest and largest federally funded education program. It dates from 1965 and its main purpose has been to help underprivileged children meet challenging state academic standards.

The district, school, teachers, students and parents can benefit from these federally funded programs!

There are two programs available for Title 1 Schools,

- the targeted assistance school program, and
- the schoolwide program.

PCN 2016-17 and 2017-18

Title 1 Targeted Assistance School Program

The funds can only be used to provide services to selected children who have the greatest need for educational assistance. Title One schools identify students in need using multiple measures

- For example, a school might use state test scores from the previous year, current grades, common assessment scores, district unit tests from the math and English subject areas, free/reduced program, etc.
- Parents can always opt out of services

PCN 2018-19 and 2019-20

Title 1 Schoolwide Program

- Schools operating schoolwide programs serve all students to improve student achievement. The schools do not have to identify particular children as eligible for services because all students enrolled are eligible to receive the services provided with Title 1 including direct instruction from staff paid with Title 1 funds.

TITLE 1 BENEFIT *ALL* PCN STUDENTS

40% of students must qualify for free or reduced lunches to participate in the Schoolwide Title 1 program
