MISSION

The School's mission is to promote the *Leadership for a better world* attributes through an outstanding education that, in an age appropriate way from the Early Years to the Senior School, blends elements of philosophy, practice and tradition from Harrow School with an awareness of the cultural context of Hong Kong and the needs of its international community.

CURRICULUM

The Upper School curriculum is structured towards the external awards of IGCSE and A-level, the standard used in England and Wales that has also been adopted in other countries.
