These 2nd graders had the highest bids for a dinner at Blue Margaritas with their 2nd grade teachers. A fun time was had together eating lots of chips and salsa and a little bit of dinner, too. A good memory for everyone and a generous donation to Spook by the families.

Project Impact is continuing to collect socks to donate to the Bob Michel VA hospital in Peoria. They will collect individual pairs of socks or new packages of socks for both men and women through Friday, November 8th. On November 8th, Project Impact will host an all school assembly to make cards for veterans in our area. The cards and socks will then be donated to the veterans. Thank you for supporting Project Impact and our local veterans!!

4th and 5th Grade Musical

Grades 4 and 5 will present their music programs on Tuesday, November 5th at 6:30 p.m. in the Wilder-Waite gymnasium. If your child cannot attend, please send the music teacher an email by Monday, November 4th to mfredericksen@dunlapcusd.net

4th grade will perform "Kid Flix", a musical revue with music from movies kids love. The theme from Spider Man, Polar Express and We Know the Way from Moana will be included. Costumes are always fun to see but not required. The hawaiian shirt look would be perfect. We are supplying each 4th grade student a flower lei. A bright colored tee would work, too!

5th grade will perform "Rock and Roll Forever", a musical revue with rock music from the 50's and 60's. Costumes might include, poodle skirts, tie-dyed shirts for the Beach Boys look, the Beatles look, or the classic "Elvis" blue jeans and white tees, and/or the slicked down hair for the boys, or a letter sweater or letterman's jacket

All 4th or 5th grade students that would rather not be in costume should dress in solid dark pants or skirts and plain dark tops.

Please bring your students to school by 6:15 p.m. 4th grades report to your classrooms and 5th grades report to the cafeteria. Please have all costumes on and ready. Thank you!

Mrs. Fredericksen – Music

Banner Elementary School houses the District K-5 Life Skills program with students with severe physical and cognitive challenges. They are trying to generate finances to build an all-inclusive playground where all students are able to access equipment and play with their peers. It is about a \$200,000 project. If you would be willing to donate to this project, we would greatly appreciate it!

Banner thanks you for any help you can provide.
