

Your Guide to Getting Involved at Calhoun

Your Guide to Getting Involved at Calhoun

Join Us:

Attend school events such as theater productions, athletic games, Parents Association events and the annual State of the School.

Lend Your Time:

Donate whatever time you can to support the work of Admissions, The Calhoun Annual Fund, the Calhoun Benefit, or the Parents Association.

Engage in the Classroom:

Look out for opportunities to visit our classrooms and participate in educational activities like reading to Lower School students, serving as a guest speaker, sponsoring a Senior Work internship, and more.

Whether you have an hour, a day, a week or a year to offer, engaged families make a tremendous impact on the success of our efforts and help build the Calhoun community.
