

St. Anne's-Belfield School

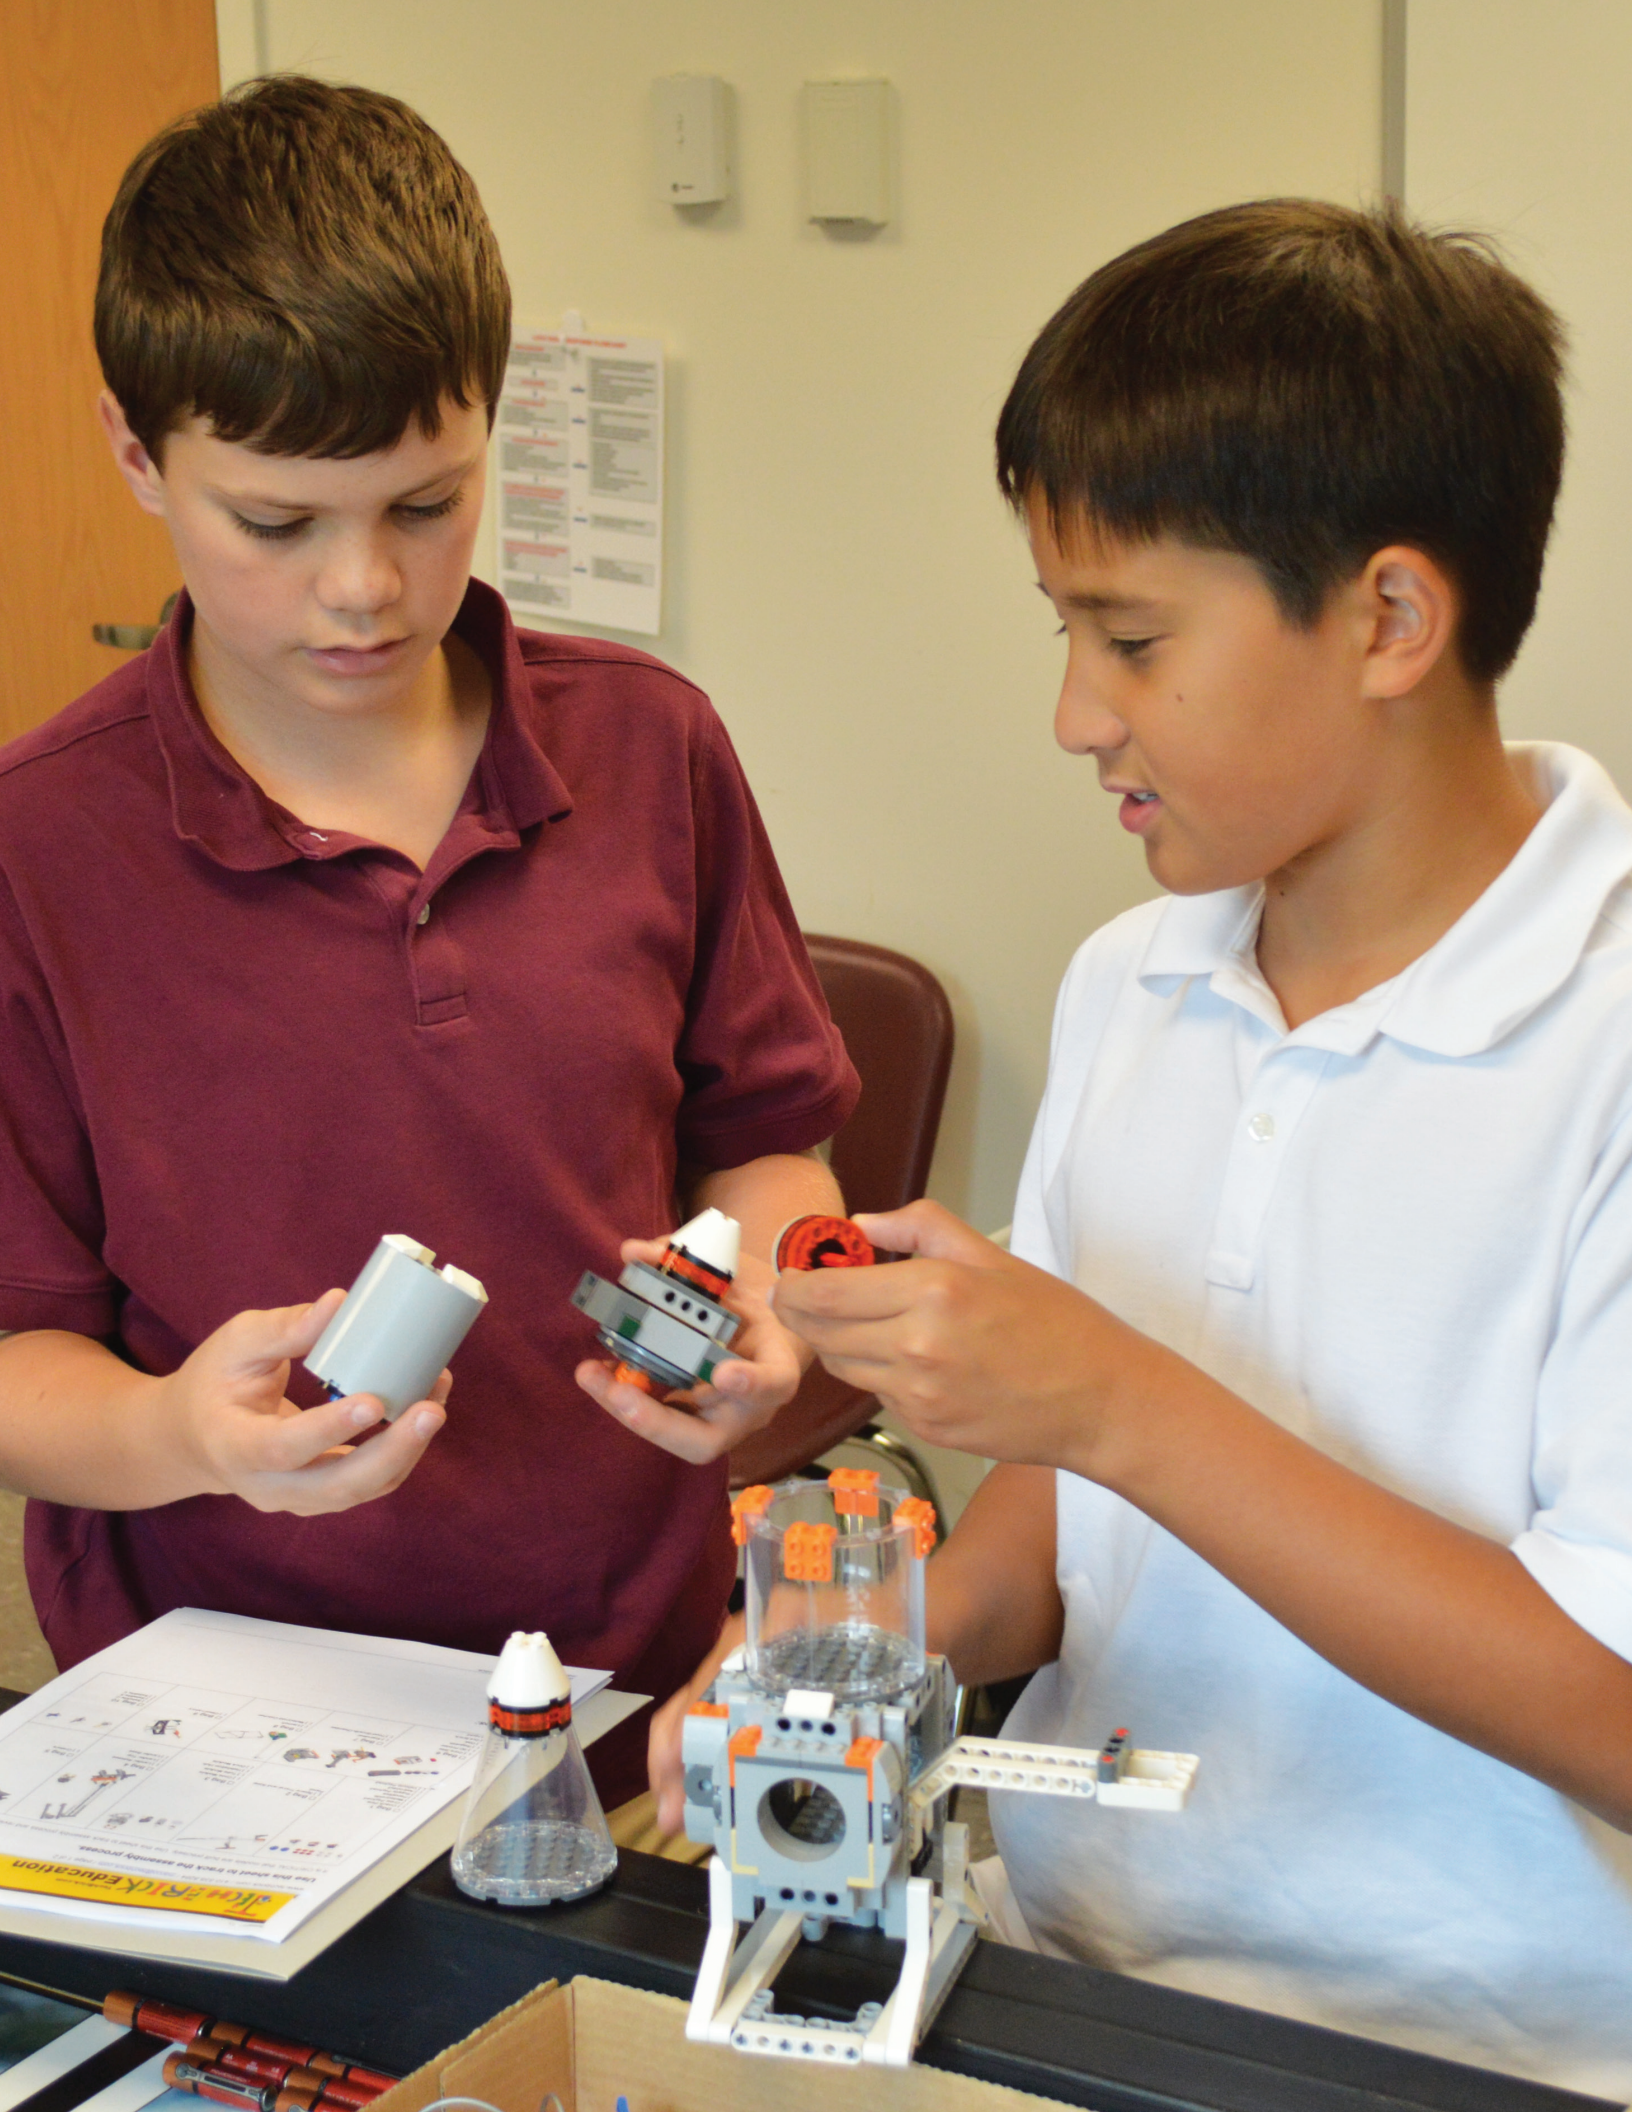

FALL 2019

PHILANTHROPY IN ACTION

impact

Thank you!

Your investment in St. Anne's-Belfield School makes a difference for every student and faculty member.

Thank you

for investing in St. Anne's-Belfield School.

THE IMPACT OF YOUR GENEROSITY

Dear Friends,

St. Anne's-Belfield is incredibly fortunate to have so many members of our community actively engaged and invested in the life of the School. Among the many ways to make a positive impact each year, philanthropic contributions help to ensure an exceptional educational experience for each student. We are grateful and thankful to once again celebrate those listed on the following pages for their generosity.

This year I am excited to announce a new direction for our annual giving program. In the past we have gratefully accepted two types of annual gifts to the School – "unrestricted" gifts via our Annual Fund and "restricted" gifts for specific programs and initiatives – both of which contribute to our annual operating budget. As of this school year, we are uniting these two philanthropic efforts under one program now known as the **Fund for St. Anne's-Belfield**. This consolidation aims at simplifying the giving process for our donors, providing more choice in how your gifts are used, and reflects a more accurate picture of the full scope of your generosity and its impact on our community.

In addition to gifts made through our annual giving program, the **Fund for St. Anne's-Belfield**, the School celebrates those who make contributions through capital, endowed, and planned gifts as well. A gift of any size, for any program, makes a positive impact!

Thank you for your ongoing support of St. Anne's-Belfield School. It truly is a great day to be a Saint!

Best wishes,

Warren

Warren Buford
Associate Head of School for Advancement

Introducing...

THE FUND FOR ST. ANNE'S-BELFIELD

The **Fund for St. Anne's-Belfield** is our community's annual giving program and top philanthropic priority. The Fund encompasses all gifts made to the School within a given fiscal year that provide operational support to annual and strategic priorities. This means anything—materials, equipment, people, programs, initiatives—for which we plan and budget for in the current school year.

As you'll see in photos captioned "Your Impact in Action" on the following pages, there are so many amazing things happening at St. Anne's-Belfield, not only in the classroom, but all around and behind the scenes. The **Fund for St. Anne's-Belfield** supports all of it and allows you, the donor, to choose from many specific ways you'd like for your gift to be used.

Donations to the **Fund for St. Anne's-Belfield** make up 13% of the School's operating budget, touching every aspect of student life and enhancing every child's experience. In the 2018 - 2019 school year, you and fellow generous donors provided $2.8 million for annual and strategic priorities, including proceeds from the Maroon & White Party to support faculty professional development. The following pages include our "honor roll" of donors who supported a priority or fund included in the **Fund for St. Anne's-Belfield** last school year. Thank you for your generous support!

Introducing the Fund for St. Anne's-Belfield 2019 - 2020 Areas of Impact

- Area of Greatest Need
- Arts & Media
- Athletics
- Campus Enhancements
- Early Childhood Education
- Experiential Learning & Community Engagement
- Financial Aid
- Global Learning
- Learning Support
- Residential Life
- Teaching Excellence

To learn more about the Fund for St. Anne's-Belfield visit **www.stab.org/support**.

We have made every effort to ensure the accuracy of the information printed within these pages. Should you have a question about your giving history or how your name is represented, including requesting a change, we invite you to contact the Development team.

Because of you, we can prepare the next generation of
exemplary citizens & visionary leaders
who will positively impact the world.

Leadership Giving Societies

Leadership donors make the most significant impact on our ability to innovate and advance the mission of our School. We gratefully acknowledge their generous commitment to our community, our teachers, and our students.

THE DUVAL SOCIETY

Named for former headmistress Mary Hyde DuVal, the DuVal Society celebrates donors who have made a noteworthy impact on our annual giving program in the past year with cumulative gifts of $2,000 or more. Resources provided by members of the DuVal Society allow our School to offer the best educational experience possible while remaining true to Ms. DuVal's enduring "body, mind, heart, soul" legacy.

THE MALONE SOCIETY

The Malone Society is comprised of alumni donors who have contributed $1,000* or more in the past fiscal year. Their leadership and commitment ensure that the legacy of teaching excellence at St. Anne's-Belfield School, which was personified by longtime teacher, administrator, and mentor Pamela Malone, continues each year and for future generations.

Consecutive Giving

Consecutive annual donors are the bedrock of our philanthropic program. By providing support year-in and year-out, these donors allow the School to plan with confidence.

SUSTAINERS' SOCIETY

The Sustainers' Society celebrates those extraordinary donors who have given a gift to any area of the School for 20 or more consecutive years. We gratefully acknowledge the following members of the Sustainers' Society who have demonstrated their financial commitment to our community for the past two decades, and we applaud this year's new members whose names are emboldened below.

DONORS BY CLASS YEAR

At its heart, the **Fund for St. Anne's-Belfield** is a community effort. It takes all of us pulling together — alumni, parents, grandparents, faculty and staff, and friends — to make possible all of our common aspirations. We gratefully acknowledge each of the following donors, listed by their relationships to classes or roles within the School, for their contributions this past year.

FACULTY & STAFF

Our faculty and staff have consistently been among the most loyal supporters of the School's philanthropic efforts. We congratulate our faculty on achieving a 95% participation rate among full-time teaching faculty—a true testament to the "all-in" ethos of our educators.

ENDOWMENT & PLANNED GIVING

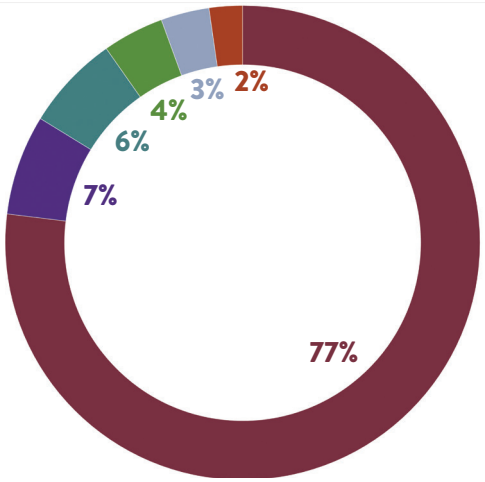

Endowed and planned gifts provide opportunities for donors who wish to make an enduring impact on the School. Endowed and planned gifts touch many aspects of student life by providing funds for scholarships, athletics, student travel, operational support, and more.

Endowment

The St. Anne's-Belfield School Endowment is comprised of invested funds established by the School community to support the operation and ongoing advancement of the School. As the School's largest financial asset, the Endowment serves to impact and enhance our current student experience while also building a rich and sustainable future. Totaling $53,505,914 as of June 30, 2019, the School's Endowment has continued a strong growth trajectory for more than a decade.

The Endowment consists of nearly 40 individual funds established for a variety of purposes, both donor-restricted funds created for scholarships, professional development, special programs, and operational uses, as well as funds designated by the Board of Trustees to function as endowments.

ENDOWED DESIGNATIONS

- Board Designated
- Unrestricted Investments
- Student Financial Aid & Scholarships
- Academic, Athletic, & Other
- Faculty Professional Development & Awards
- Unrestricted Endowment

A portion of endowment earnings are used to support the operating budget each year.

ENDOWMENT DONORS

It is with sincere gratitude that we thank and recognize donors to the School's Endowment.

ENDOWMENT SPOTLIGHT

The **Diana Edwards Smith Teaching Mastership** was established to honor an outstanding faculty member each year and is the highest teaching award given in an academic year. During the 2019 graduation ceremony, the School recognized Upper School Humanities teacher Jon Shoup with this prestigious award. This endowed fund is a testament to the strong commitment of our School and School community to teaching excellence, and the impactful value of nurturing the student-faculty relationship.

As the recipient of The Diana Edwards Smith Teaching Mastership, Jon Shoup provided the opening Chapel of the 2019 - 2020 academic year to his fellow faculty members. His moving words reinforced and embodied the steadfast commitment of our faculty—and all who support St. Anne's-Belfield School—to inspire and prepare the next generation of exemplary citizens and visionary leaders.

Across all grade levels, we push students to ask big questions, to take ownership of their learning, and to work collaboratively. This mission promotes a spirit of inquiry and asks students to think critically. In this way, St. Anne's-Belfield has the capacity to challenge students' perspectives. But equally as important, our community provides the support system that allows students to take on this difficult work.

By building relationships with students, by ensuring that every child is known well, we create an environment that helps them get comfortable with discomfort. If students feel trust, compassion, and love, they will be better equipped to persevere through the challenges posed by our educational mission. The work we do every day in the Learning Village and on the Greenway Rise, the work of building community and providing roots for our students, helps them feel capable of taking on these challenges.

The 1910 Society

The 1910 Society was founded in 2007 to recognize those benefactors who have named St. Anne's-Belfield School in their estate plans. The members of the 1910 Society – alumni, parents, grandparents, and friends – understand their support will have great impact on the future of our students, faculty, and School.

It is with sincere gratitude that we thank and recognize members of the 1910 Society (new members are emboldened below).

1910 SOCIETY SPOTLIGHT – MYRON RIPLEY '86

As an alumnus, why do you think it is important to support St. Anne's-Belfield School?
St. Anne's-Belfield changed my life forever. I say that any time anyone asks me about the School. I recognize that not every person who walks through the doors of Randolph Hall has the same experience, but for me it opened doors to an education of and for the world and to a group of people that would become the dearest people in my life forever. It is a place so special to me that I want it to grow and be sustainable for perpetuity. Truly, I wouldn't be where I am today if not for my alma mater and thus, I want the next young teenager to have that same experience.

Why did you choose to support the School through a planned gift?
In life, many people have the opportunity to have a legacy with their children. That was not something that happened for me. So, in thinking about my legacy, I thought "how do I get to leave my mark?" A planned gift is one way in which I have the opportunity to define that legacy and help the next "Myron" experience a world class education in a loving environment. While not as big in number as many of our peer institutions, I see no reason why we can't, as alumni, friends, or parents, "pay back and pay forward" the School that has been so good to us and our families so that we become the exemplary institution when it comes to philanthropic giving.

What would you share with others who are considering a planned gift?
I would say think about what the community of Charlottesville would be like without St. Anne's-Belfield School. It seems impossible, but in this world there are no certainties. With that in mind, why not make a decision to "guarantee" a grand future for such a phenomenal place? For me, it wasn't a hard decision. In fact, it was actually quite easy. I did it while relatively young so that as time passed, I knew that at least part of my legacy story could be written by me without any pressure. It also allowed me to have those conversations with my financial advisor and estate attorney to set the pathway in place that would ultimately allow me to "pay back" the School for everything it gave me. By doing this, the School can also make informed decisions about the future of St. Anne's-Belfield.
